<b>Audit Recommendations 2015/16</b>									
<b>External Data Transfers 2015/16</b> Report No. 763 July 2016	1	The Council should undertake a mapping exercise of its information flows both internally and externally of the organisation. Following the mapping exercise, the Council should produce a central information asset register to include: System details, data held, classification of the data, data owner, who the information is shared with and the process by which it is shared (electronically/manual) . If an ISP has been produced, this should also be linked to the document. Once the mapping exercise has been undertaken, a formal review process should be developed to ensure that the information flow is valid and current.	Medium	Whilst some individual directorates have independent processes in place, it is recognised that there is not a corporate approach to this matter. A corporate working party to address this situation and create an Information Asset Register is being co-ordinated by the Council's Internal Audit section within the Governance Directorate.	Director of Governance	31/03/17	30/06/17	<p><b>April 17:</b> A Council-wide data mapping exercise has been undertaken. The data is now being collated into an Information Asset Register database, which will include a formal review process.</p> <p><b>May 17:</b> The data has been collated and has been loaded onto the database. A review of the data has started.</p>	Overdue
<b>External Data Transfers 2015/16</b> Report No. 763 July 2016	3	A mechanism should be devised for monitoring compliance against agreed information sharing protocols. For example, a sample should be selected,	Low	This will be considered as part of the Information Asset Register being created as part of recommendation 1.	Director of Governance	31/03/17	31/03/18	<p><b>April 17:</b> This process will be developed along with the review process in recommendation 1, once the Information Asset Register is complete.</p> <p><b>May 17:</b> The review process in recommendation 1 has begun and</p>	Overdue

		say annually, to see if the relevant department or business is complying with the agreed sharing protocol.						will include a process for monitoring compliance with information sharing protocols.	
<b>External Data Transfers</b> <b>2015/16</b> Report No. 763 July 2016	6	The Council should periodically request assurance from 3rd parties that the data shared is only retained for the period it was intended, that the process for disposal in place is appropriate and in line with current best practice and legislative requirements.	Low	This will be considered as part of the Information Asset Register being created as part of recommendation one.	Director of Governance	31/03/17	31/03/18	<p><b>April 17:</b> This process will be developed along with the review process in recommendation 1, once the Information Asset Register is complete.</p> <p><b>May 17:</b> The review process in recommendation 1 has begun and will include a process for gaining third party assurances over shared data.</p>	Overdue
