1. (Chairman of the Panel (Councillor C Whitbread)) The Appointments Panel met on 10 May 2018 to consider nominations made by political groups and un-affiliated members for appointments to a range of member positions and other associated matters.

2. The Panel noted that one nomination for the position of Vice-Chairman of the Council had been received, that being for Councillor R. Gadsby. This nomination is dealt with elsewhere on the Council agenda.

3. In accordance with Regulation 8 of the Local Government (Committees and Political Groups) Regulations 1990, notices of the constitution of political groups received will be reported at the meeting by the Proper Officer.

4. The Panel was advised that no proposals for the revision of the roles and responsibilities of the Cabinet were to be made by the Leader of the Council for the 2018/19 municipal year. The appointments made by the Leader of Cabinet members and the membership of Cabinet Committees, are set out in Appendix 1 to this report, alongside the responsibilities of the Cabinet Portfolios for the coming year.

5. The Panel has been able to bring forward some agreed nominations in respect of Committees, Sub-Committees and Panels, which are set out at Appendix 2 to this report. However, we have not received all of the proposals of the political groups for appointments to such Committees, Sub-Committees and Panels. All nominations remaining outstanding are highlighted in the schedule and will be reported at the meeting. Where the number of nominations exceeds the available places, the Council will be required to vote on appointments.

6. The Panel proposes that membership of the District Development Management Committee be extended to seventeen members for 2018/19, in order to provide a seat on the Committee for an un-affiliated member. Membership of the Committee comprised fifteen members for 2017/18 but, as a result of the current political composition of the Council, this arrangement will not secure a seat for an un-affiliated member for 2018/19. The extension of membership to seventeen members for the next year will provide an additional seat on the Committee for both the Conservative Group and the Loughton Residents Association Group. In order to accommodate a request for un-affiliated member representation on the Committee for the next year, the Conservative Group is willing to relinquish its additional seat arising from the extension of membership, in order that this position may be filled by an un-affiliated member. Membership of the Committee is required to be appointed on a pro rata basis and such deviation requires that no member of the Council vote against this arrangement.

7. The Panel also proposes that membership of the Overview and Scrutiny Committee be extended to seventeen members for 2018/19, in order to provide a seat on the Committee for an un-affiliated member. Membership of the Committee comprised fifteen members for 2017/18 but, as a result of the current political composition of the Council, this arrangement will not secure a seat for an un-affiliated member for 2018/19. The extension of membership to seventeen members for the next year will provide an additional seat on the Committee for both the Conservative Group and the Loughton Residents Association Group. In order to

accommodate a request for un-affiliated member representation on the Committee for the next year, the Loughton Residents Association Group is willing to relinquish its additional seat arising from the extension of membership, in order that this position may be filled by an un-affiliated member. Membership of the Committee is required to be appointed on a pro rata basis and such deviation requires that no member of the Council vote against this arrangement.

8. The Panel recommends that group representatives should provide nominations for membership of the four select committees for 2018/19, for consideration by the Overview and Scrutiny Committee at its meeting on 4 June 2018 which will then make formal appointments to each select committee. These nominations should be received by the Proper Officer by 29 May 2018.

9. The Panel have been able to consider some nominations to outside bodies carrying out Council regulatory or non-Cabinet functions as detailed in Appendix 3 to this report and request the Council to confirm these appointments. All nominations remaining outstanding are highlighted in the schedule and will be reported at the meeting. Where the number of nominations exceeds the available places, the Council will be required to vote on appointments.

10. The proposals of the Leader of the Council for appointments to outside organisations carrying out Executive functions are set out at Appendix 4 to this report.

11. The Panel recommend as set out at the commencement of this report.
