A BBQ would be provided for lunch, although volunteers could bring their own lunch, if they preferred. Consent forms were required by all volunteers that attended with Youth Councillors before they could take part.

**ACTION:** Any consent forms to be handed back to Di for all external volunteers attending.

### 199. ELECTION 2016/18

Di advised that following the Youth Engagement Review Task and Finish Panel, which had been completed in September 2015, the Youth Council elections had now

been postponed until November 2016. This had resulted in the 2014/16 cohort of Youth Councillors being able to extend their term of Office until 6 December 2016, if they wanted.

The Youth Strategy Officers group had put together a draft timetable for the elections;

<b>Dates</b>	<b>Activity</b>
Mon 12 Sept – Thurs 13 Oct 2016	Promo assemblies in schools/ youth groups/College
Fri 14 Oct 2016	Closing date for nominations
Mon 31 Oct – Fri 11 Nov 2016	Elections in schools
Mon 14 – 18 Nov 2016	Formal announcement of election results
21 Nov – 2 Dec 2016	Various induction sessions for new cohort
Tues 6 Dec 2016	First official EFYC Full Council meeting

All remaining Youth Councillors would be required to help out with the assemblies at their schools.

It was noted that all 2014/16 Youth Councillors would be required on 6 December 2016 for a questions and answers session between the old and new cohort of Youth Councillors.

## **200. SCHOOL UPDATE**

### **(a) School Updates**

Anglo European School - Jaymey advised that he had made a presentation to year 7-9 pupils and this had included information about the Youth Council and the elections.

Davenant Foundation School - Joe advised that an assembly between the Youth Council and the School Council was being arranged.

Roding Valley High School – Doncho and Matthew had appointed year 7 Members to the School Council.

### **(b) Suggestion Boxes**

Louis advised that the suggestion boxes had been ordered. Discussions were then prompted on ways to improve the use of suggestion boxes. An online suggestion box was discussed and this was thought to be a good way of receiving suggestions from all pupils. Also comments were made about spreading the message and what the suggestion boxes were for, by making announcements in the school assemblies alongside other notices.

**ACTION:** Louis to look into the online suggestions scheme.

### **(c) Other Issues**

Youth Councillors raised particular concerns about the news of subsidy cuts to Transport for London (TfL) in relation to bus routes 167 and 20 between Epping Forest, Walthamstow and Ilford, which a lot of students use and the effect that this would have on young people travelling around the district.

Suggestion were made such as polls on Facebook and Twitter, to gather information to support any future projects and concerns raised, when going to the MP or ECC, which had been previously required when Youth Councillors had raised issues.

**(d) New Youth Councillors**

Davin joined the meeting. He had been put forward as an interim Youth Councillor from West Hatch High School, until the new cohort were elected in November 2016. This had been due to Youth Councillors leaving their secondary schools for sixth forms in September 2016 and seats becoming vacant at west Hatch High School, Debden Park High School and King Harold Business and Enterprise Academy.

Youth Councillors introduced themselves and welcomed Davin.

Di advised that Charlotte would also be joining from West Hatch and asked the new Youth Councillors Ashwin and Adam whether their schools had been able to recruit another Youth Councillor. Both of them advised that they had not received any further information from their schools.

**201. PREVENT AGENDA**

Di advised that the 'Prevent' assemblies had now been arranged in Davenant Foundation, Debden Park High, King Harold Business and Enterprise Academy and Roding Valley High is scheduled for the 5<sup>th</sup> May.

Di asked Youth Councillors for feedback. It was felt that the information had been relevant and interesting but for some year groups the presentation was shorter due to registration.

**ACTION:** Di to feedback to the group performing the assemblies.

**202. PROJECT GROUP**

**(a) Tube Map**

Louis advised that the tube map of activities for young people had been updated with an additional 23 groups and the map would be reproduced and given out in travel wallets. The Red Balloon charity was still involved with the project and would help to make the map interactive on the Youth Council's website.

There were some discussions about using the travel wallet as a promotional item for the elections, although some Youth Councillors thought they would become redundant after the election period.

**ACTION:** Louis to take on board the Youth Councillors comments about the travel wallets.

**(b) Wellbeing and Mental Health**

Di advised that following the last meetings discussion around a final project for this cohort of Youth Councillors, it had been clear that wellbeing and mental health was a huge issue for all young people, whether it related to school, home life, friends or work. Therefore it had been proposed that the next project would be around Wellbeing and Mental Health, using training opportunities from North East London Foundation Trust (NELFT). Other suggestions included producing a DVD to promote

awareness and use this within the Reality Roadshows and that schools would be eager to be involved as this was becoming a large issue in school as well.

### **203. YOUTH ESSEX ASSEMBLY**

Matthew advised that Essex County Council would like to hold a Stakeholder event again with the Youth Council having a more directional role, to enable them to find out what the District required for youth provision. Youth Councillors who attended the event last time felt undirected and unclear about their role, although some of the information it was interesting.

Di advised that if Youth Councillors wanted to be involved, Vicki Young would have to fully explain what was required of the Youth Councillors at a planning meeting.

ACTION: Di to email Vicki Young to find out further details.

### **204. YOUTH PARLIAMENT**

There were currently no updates.

Matt would be attending to talk about the hospice and had arranged a visit for Tuesday 29 March 2016 at 11 a.m.

Lynn and members of the group wanted to introduce themselves to the Youth Council to explain about the children's charity, Woodcraft Folk, which worked with children from 5 to 18 years old in social education and issues that affect children.

He had raised funds of £2,500 over a two year period for his trip through an online Just Giving page and by writing to local businesses. The volunteering experiences had helped him to build personal resilience and made him open minded and a good team player.

He advised that Youth Councillors interested in volunteering should be cautious when using other websites and to check age restrictions but he had used the following [www.freethechildren.com](http://www.freethechildren.com) and [www.frontier.ac.com](http://www.frontier.ac.com).
