APPLICATION No:	EPF/1840/14
SITE ADDRESS:	Woodberrie Woodbury Hill Loughton Essex IG10 1JB
PARISH:	Loughton
WARD:	Loughton St Johns
DESCRIPTION OF PROPOSAL:	Demolition of an existing garage and the erection of a two storey extension to an existing dwelling house.

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=566572

REASON FOR REFUSAL

- 1 By reason of its unsympathetic and incongruous design, the proposed extension would fail to complement the design of the existing house, which is a locally listed building. As a consequence, the proposal is also harmful to the character and appearance of the locality and fails to preserve or enhance the character and appearance of the York Hill Conservation Area. Accordingly, the proposal is contrary to Local Plan and Alterations policies CP2(iv), HC6, HC7 and DBE10, which are consistent with the National Planning Policy Framework.

Way Forward

No objection is raised to the principle of an extension, however it should enhance the appearance of the house and should not interfere with views of it from Kings Hill.

APPLICATION No:	EPF/2379/14
SITE ADDRESS:	Lucas McMullen Jacobs 258a High Road Loughton Essex IG10 1RB
PARISH:	Loughton
WARD:	Loughton St Marys
DESCRIPTION OF PROPOSAL:	Extension of existing building in connection with proposed residential use forming 9 new dwellings (8 x 1 Bed and 1x 2 Bed). Re-submission following withdrawn application EPF/1686/14.
DECISION:	Refuse Permission

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=569231

REASON FOR REFUSAL

- 1 The proposal fails to demonstrate that the proposed refuse storage arrangements and repositioning of extract ducting on the rear elevation can be implemented. As a consequence, the proposal fails to include proper provision for refuse storage necessary for the development and fails to facilitate appropriate means of odour control for the restaurant at the ground floor of 258 High Road. In this particular case it is not possible to deal with these matters by planning conditions because third parties have control over them and have made clear they will not give their required consent for the proposals to address them. The proposal is therefore likely to result in unpleasant odours, harm to visual amenity and poor outlook from proposed Flat 3. Accordingly, the proposal is contrary to Local Plan and Alterations policy DBE9, which is consistent with the National Planning Policy Framework.

Way Forward

Members are not opposed to the principle of the development but any revised proposal should demonstrate an achievable means of storing refuse and repositioning existing extract ducting.

APPLICATION No:	EPF/2565/14
SITE ADDRESS:	4 Connaught Hill Loughton Essex IG10 4DU
PARISH:	Loughton
WARD:	Loughton Forest
DESCRIPTION OF PROPOSAL:	Single storey rear extension, loft conversion and hip to gable, new porch, garage conversion, rendering all house and replacement of all windows. Re-submission following withdrawn application and refused application EPF/2183/13.

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=570290

REASON FOR REFUSAL

- 1 The proposed roof alteration would add disproportionate bulk to the roof of the house and appear over-dominant when seen from 21 Connaught Avenue. The proposed south facing dormer window would also appear disproportionately large in the roof slope and be likely to cause excessive overlooking of the rear garden of 21 Connaught Avenue. Accordingly, the proposal is contrary to Local Plan and Alterations policies DBE9 and DBE10, which are consistent with the National Planning Policy Framework.

Way Forward

Members found a reduced scale development with a significantly smaller south facing dormer window is likely to be acceptable.

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=570475

REASON FOR REFUSAL

- 1 By reason of its height, the proposed 5-storey building would appear over dominant and unduly prominent within its context, to the detriment of the character and appearance of the locality. Accordingly, the proposal is contrary to Local Plan and Alterations policies CP2(iv), CP7 and DBE1 (i) and (ii), which are consistent with the National Planning Policy Framework.

Way Forward.

Members considered a reduction in the height of the building to four storeys would be likely to overcome their objection to the development.
