

Report to Cabinet

Report reference: C-005-2015/16

Date of meeting: 11 June 2015

**Epping Forest
District Council**

Portfolio: Leader of the Council

Subject: Corporate Plan Key Objectives - 2014/15 Outturn

Responsible Officer: Barbara Copson (01992 564042)

Democratic Services: Gary Woodhall (01992 564470)

Recommendations/Decisions Required:

(1) That the Cabinet review the end of year position in relation to the achievement of the Council's key objectives for 2014/15.

Executive Summary:

The Corporate Plan is the Council's key strategic planning document, setting out its priorities over the four-year period from 2011/12 to 2014/15, with strategic themes reflecting those of the Community Strategy for the district. Updates to the Corporate Plan are published annually, to reflect the key objectives for each year of the plan period and progress against the achievement of objectives for previous years.

The annual identification of key objectives provides an opportunity for the Council to focus attention on how areas for improvement will be addressed, opportunities exploited and better outcomes delivered during the year. The key objectives are intended to provide a clear statement of the Council's overall intentions for each year, and are supported by a range of actions and deliverables designed to achieve specific outcomes.

A range of key objectives for 2014/15 was adopted by the Cabinet in April 2014. Progress in relation to individual actions and deliverables is reviewed by the Cabinet and the Overview and Scrutiny Committee on a quarterly and outturn basis.

Reasons for Proposed Decision:

It is important that relevant performance management processes are in place to review progress against the key objectives, to ensure their continued achievability and relevance, and to identify proposals for appropriate corrective action in areas of slippage or under-performance. This report presents year-end progress against the key objectives for 2014/15.

Other Options for Action:

No other options are appropriate in this respect. Failure to monitor and review performance against the key objectives and to consider corrective action where necessary, could have negative implications for the Council's reputation and judgements made about its progress, and might mean that opportunities for improvement were lost. The Council has previously agreed arrangements for the review of progress against the key objectives.

Report:

1. The Corporate Plan for 2011/12 to 2014/15 translates the vision for the District set out by the Community Strategy, into the Council's strategic direction, priorities and the most important outcomes that it wants to achieve. The Corporate Plan helps to prioritise resources to provide quality services and value for money.

2. The key objectives adopted for each year of the Corporate Plan represent the Council's high-level initiatives and over-arching goals for the year. The objectives are not intended to reflect everything that the Council does, but instead focus on national priorities set by the Government and local challenges arising from the social, economic and environmental context of the district.

3. The key objectives for 2014/15 were adopted by the Cabinet at its meeting on 7 April 2014. The achievement of the objectives is supported by a range of individual deliverables and actions, with target dates spread throughout the year (and beyond in some instances). Some of the deliverables can only be achieved incrementally or are dependent upon the completion of other actions, and are intended to be fluid to reflect changes in priorities and other influencing factors.

4. Progress against the key objectives was an area of focus in former corporate inspection processes, in order to assess the Council's success in improving the services that it delivers, and to identify and reflect plans to secure improvement. Whilst such external assessment processes have generally ceased, it remains important to review progress against the key objectives, and to take appropriate corrective action where necessary in areas of slippage or under-performance. Progress towards the achievement of individual deliverables and actions is therefore reviewed on a quarterly basis, in order to ensure the timely identification and implementation of appropriate corrective action. Performance for the first nine months of the year was considered by the Cabinet at its meeting on 9 March 2015.

5. A schedule detailing year-end progress against the fifty-four individual deliverables and actions designed to support the achievement of each of the key objectives, is attached as Appendix 1 to this report. In reporting progress, the following 'status' indicators have been applied to the outturn position for each individual deliverable or action:

(a) **Achieved (Green)** - specific deliverables or actions were completed or achieved in accordance with in-year targets; and

(b) **Behind Schedule (Red)** - specific deliverables or actions were not completed or achieved in accordance with in-year targets.

6. At the end of the year:

- 35 (65%) of the individual deliverables or actions supporting the key objectives had been achieved; and
- 19 (35%) of the deliverables or actions were not completed by year-end albeit significant progress has been made. Details of the progress made are set out in the comments against the individual deliverables or actions in the attached schedule.

7. The Cabinet is requested to review year-end progress against the key objectives for 2014/15. This report will also have been considered by the Overview and Scrutiny Committee at its meeting on 9 June 2015.
