Local Council Tax Support Scheme

Background:

The Local Council Tax Support Scheme is designed to help those of working age on a low income. If any changes are to be made to the Council's existing scheme, consultation must first be undertaken.

Report:

The scheme (not the consultation) is likely to impact on families with children of school age or disabled people who are more likely to have a fixed or lower income, and claimants from ethnic minorities whose families tend to be larger.

There are just under 4000 people of working age who would be affected by changes to the current scheme. These include families with school age children, people with disabilities and people from ethnic minorities. If the level of Council Tax liability increases above affordable levels, there is a risk that people may have to leave their homes and move to cheaper properties, which may be some distance away. For children of school age this may mean they have to change schools which may cause disruption to their education; for disabled people this may mean that they are separated from their friends and families who may provide support and assistance to their daily lives; and for people from ethnic minorities who may also may be separated from their extended families. Some recipients may get into debt.

A number of measures are being taken to mitigate the potentially negative impacts of the scheme:

- Consultation will not be restricted to certain groups. Anyone will be able to respond, including local taxpayers who are not LCTS recipients, and any organisation who provides support to vulnerable people.
- Additional resources have been directed towards people affected by providing them with information about alternative housing and help with financial management;
- The scheme spreads the changes as widely as possible to reduce inequalities;
- The Exceptional Hardship Fund will assist people with the most exceptional circumstances.

Equality of opportunity is built into the system via The Exceptional Hardship Fund. Premiums for children and disabled persons are included in the calculation of entitlement, which provide some additional support to these groups.
