M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

Fred and Doug's business model is to provide food and drink in a family friendly environment to its customers. The business in order to promote a family friendly environment naturally takes seriously and promotes the four licensing objectives, prevention of crime and disorder, public safety, the prevention of public nuisance and prevention of children from harm, as detailed in the sections below naturally falls into its business objectives and will evolve and adjust where possible to improve on all objectives.

b) The prevention of crime and disorder

To prevent crime and disorder, measures have been identified and will be implemented and maintained to reduce/ prevent and stop underage drinking, drunkenness on the premises, public drunkenness, drugs, violence and anti-social behaviour.

Fred and Doug's will only promote customers to consume alcohol in conjunction with food to prevent drunkenness. Staff will also report any out of the ordinary activities to the designated premises supervisor "DPS" or most senior member of staff (by title) who will be experienced to manage the issue accordingly. If a situation occurred which the DPS felt illegal activities took place on the premises police would be called accordingly. The DPS will be designated and have day to day responsibility for running the premises by the premises licence holder.

Service staff will also be responsible for challenging members of the public requesting alcohol, for example customers will be challenged if they look under the age of 25. If a customer is challenged they will have to provide evidence they are the legal age by providing accredited 'proof of age' cards and/or photocard driving licences with photographs.

Staff will have their individual responsibilities but it will be the senior management within the company to ensure staff are abiding to the rules and that the staff have had the necessary training before conducting such tasks.

c) Public safety

Fred and Doug's will work in conjunction with fire services and other relevant health and safety parties to implement all the necessary measures to improve public safety at the premises. These measures included introducing a new fire exit to the rear of the property, in the case of an emergency the premises will allow people to evacuate not only from the front but to rear of the premises. The exits doors will be appropriately signed and have the relevant fire door safety certificates, it is the responsibility of the manager to ensure all exits are kept clear in accordance with the guidance. The premises will also have fire extinguishers/ blankets as appropriate.

As the premises focus is not to become a bar, we do not foresee large numbers of people standing at one Fred and Doug's will allocate a internal fire officer who will undergo the relevant training and advise members of staff accordingly of the procedures in case of emergency. The premises will be fitted with the relevant fire detection and warning systems.

d) The prevention of public nuisance

Fred and Doug's new premises, 4 Station Road, has no residential apartments above the premises. The surrounding the premises consist mainly of commercial on the ground floor and residential apartments above the commercial units, due to its location just off on the high street. To my knowledge no hospitals or hospices are in close proximity of the premises.

All activities provided in the premises are of a permanent nature which is providing food/ drink and potential small retail to the general public.

Fred and Doug's will also take preventive measures to reduce and control noise on the premises to prevent local surrounding businesses and residence being disturbed. Preventive measures include closing the front doors and back doors during busy evening periods and having the majority of the seating located to front of the premises with music only being played as background music, the focus of the premises is to provided a family friendly environment. If a complaint was to arise, preventive measures to reduce the risk of occurrence will be implemented.

The premises being based just off Epping high street offers a wide range of easy accessible public transport available. Two bus stops are within roughly 50 yards from the shop and the train station is only 5 minute walk. The shop is also convinitely located next to alternative to public transport with a taxi services, Elite Cars, located next door or an alternative local taxi company Lawlor Taxis located at the train station.

e) The protection of children from harm

As mentioned in the previous sections Fred and Doug's business model is to promote a family friendly environment, therefore allowing persons under the age of 18 onto the premises. Alcohol is not the primary focus of the premises (food and drinks will be promoted together) and any such person looking under the age of 25 will be challenged to provide evidence of their age by providing accredited 'proof of age' cards and/or photo card driving licences with photographs.

Due to the nature of the business we do not expect children to be exposed to foul language, if a customer was to use such language they will be approached by a senior member of staff and provided with a warning, failing this they will be asked to leave the premises.

No gambling, drugs or activates of a sexual nature will be tolerated on the premises and police will be contacted immediately in this instance.

No events will be aimed specifically at children.

The premises will provide internet facilities. These facilities will have adequate control settings put in place so web sites that are not suitable for use by children are permanently blocked.

17th November 2018

Dear Sir.,

Application in respect of Premises Licences re 4 Station Road CM16 4HA
Ref. WK/201883545

I have received E.F.D.C.'s letter of 6th November explaining how a representation may be made.

I wish to make such a representation because, in my opinion, the grant of the Licence will entail a substantial public nuisance. The premises are not in the High Street but in an area which is primarily residential. The combination of alcohol, music and seven day opening, with long and late hours, will create considerable noise and disturbance for residents

Also, from those homeward bound on foot via the Station and beyond, or by car or taxi, there will be further disturbance late at night to this residential area.

Yours faithfully,

[REDACTED]

 Hartland Road

November 15th 2018

Your ref: WK/201883545

Dear Sir or Madam

Thank you for your notice of consultation regarding “Fred and Doug’s” application to open a music bar at 4, Station Road, Epping, Essex. CM16 4HA.

As you are aware these premises are close by a residential area and for this reason, we believe that this will inevitably lead to problems for the residents.

You have listed the four grounds under which we can express our objections and we believe that the proposed use of these premises is likely to be relevant to all of them.

The prevention of crime and disorder

The application suggests that the sale of alcohol will be available to patrons for 14 hours a day. We are all familiar with the news that crime is rising (we experienced a burglary in August of this year when 2 cars and a wallet were stolen from our house by two men who I am relieved to say are now in custody, awaiting trial) and we also know that alcohol can fuel unsociable activities like theft or in worst cases aggressive acts like knife-crime. It was not long ago that we had a horrific stabbing in the High Street. The culprits had been drinking heavily in a local bar.

Public safety

There is no car-parking availability for these premises, except in nearby residential streets. This is likely to lead to cars dropping off or picking up patrons of the bar which in turn could lead to accidents among pedestrians, whose view of traffic would be reduced, as they attempt to cross Station Road.

The prevention of public nuisance

This is probably the most compelling ground for objection to this plan. The Bar will be open until 11pm. As patrons leave the Bar, there will inevitably be noise, as they bid farewell to other patrons. We remember the years when these premises were used as restaurant facilities and the dreadful noise that we had to put up with as patrons made their way down Station Road, for the Underground or into Hartland Road where their cars were parked (often across the entrance to our house, preventing us from using our car). It was particularly unpleasant at weekends, less so during the week, but this Bar will be open until 11pm **EVERY EVENING**.

The proposal for "Live Music" Thursday to Saturday and "recorded music" every evening is also likely to exacerbate the noise, especially in the summer months, when doors and windows are open.

The protection of children from harm

Over many years, we have heard "drunks", both male and female, making their noisy way down Station Road to the Underground and their language and behaviour was not what you would want children to witness. In the holiday periods families often walk up Station Road, late at night, after a theatre trip to London, so there is the potential that they might come across patrons of the proposed bar who have "over imbibed."

We have been residents of this house for 42 years and over recent months, we have enjoyed relative peace and quiet, since the closure of "EYDEES."

Our objective is not to be "kill-joys." We have no objection to bars and such places where people can socialise. There is such a bar already in the High Street, near St John's Church which we believe is an appropriate place as it is not close to residents, as would be the case if these plans are accepted by the Council.

Please take our concerns into consideration as you make your decision on this matter.

Yours truly

Susan and David Seward

Dear Peter,

Thank you for following up on your email. In the evening's we will be selling tapas styled food and small plates, I'm presuming this qualifies as a meal? The business as discussed is food focused with the wine accompanying the food. Not a bar! I'm happy to agree to all points mentioned in your email proving this concept is ok. Please not people will be eating and drinking at the tables as mentioned in your points? Thank you

Kind Regards,
James

Dear Mr Berndes,

In respect of your application for a premises licence at 4 Station Road, Epping I write with a view to agree conditions with you to promote the licensing objectives.

I would firstly like to understand the level of 'off sales' you will be making as your current premises restricts this to hampers. If this is the case then I would ask for this to be clearly stipulate on the licence. If however; you are offering take away food with alcohol; then an alternative condition may be more appropriate.

Please see the attached schedule of conditions; which I hope to agree with you.

I look forward to hearing from you either way.

Peter

Hi James, TI would accept tapas as a table meal, as it is a style of meal. Not a 'bag of crisps' affair.

Licensing – please note the comments and acceptance of conditions.
