6.1 **East of England Plan Public Examination**

1. Town and Parish Councils should have received a Draft List of Matters and Participants for the Examination in Public (which is due to commence on Wednesday 14 September at The Maltings, Ely). There is a 28 day consultation period on the Draft List, which expires on Wednesday 29 June. Members are encouraged to respond to this consultation to try and ensure that representatives of the District will be heard at the EiP.
2. The attention of Members is drawn to Matter 8H of the Draft List, which concerns the Stansted M11 area. The participants named for this matter include one representative each from the County and District Councils. While the North Weald Bassett Airfield Users Group and/or the Bassett Community Action Group have also been invited, no representatives of local councils in this district have been listed. Members should also note that the Hertfordshire Association of Parish and Town Councils is included as one of the participants for this matter
