PART C - GENERAL INFORMATION

1. MEMBER'S IPAD SURVEY

In the new world of remote working, we want to ensure we're supporting you as much as possible with your equipment. If you could just take few minutes to give us some feedback on the iPads provided by the council, we would really appreciate it. - <https://www.surveymonkey.co.uk/r/Q586J89>

(Further information: Jack Cooper ext 4513)

2. ECC HIGHWAYS AMENDMENT - BELL COMMON (Pages 15 - 26)

Please see attached.

3. EMERGENCY PLANNING FOR EPPING AWARENESS SESSION

Do you know what the Police, Fire and Ambulance services expect of the Local Authority in an emergency?

Do you know what the council is capable of doing to respond and indeed how it would do so to an emergency?

Are you aware of what the Essex Resilience Forum (ERF) is and what its purpose is?

Do you have a role in an emergency and do you know what that might be?

If you have answered NO to all or some of the above, then join me to find out the answers on the 9th Dec 18:30 – 20:30 for an informal discussion and learning session on how EFDC does emergencies!

I will conduct the session via Teams so you **must** register to receive an invite.

I will be limiting spaces to a manageable 12 and will be happy to organise a second session if need be.

To register please email: llipscombe@eppingforestdc.gov.uk

(Further information: Lisa Lipscombe ext 4238)

4. CONSTITUTION WORKING GROUP

Would Members please note that with the agreement of the Chairman, the next meeting of the Constitution Working Group on 20 October 2020 has been cancelled owing to a lack of business. The next scheduled meeting is on 18 March 2021.

(Further information: Vivienne Messenger ext 4265)

5. HOUSING UPDATE

Following the launch of the Everyone In initiative, EFDC responded by accommodating 15 rough sleepers into hotel/B&B. Pathway plans were devised with each customer incorporating their individual support needs and their longer-term aspirations. With the right partnerships and a hands-on approach to this cohort, these pathway plans have laid the foundations in ensuring that no one has had to return to the streets.

To ensure a robustly consistent approach and engaging effective relationships, we identified a champion within the homelessness team who has been responsible for working with the rough sleepers to achieve outcomes and deliver on our initiatives. Consequently, we have successfully moved 4 rough sleepers into privately rented accommodation securing them 6 month assured shorthold tenancies, whilst committing to providing ongoing support to enable them to sustain their tenancies and prevent any sort of relapse - this has been achieved by signposting them to relevant agencies depending on their needs.

EFDC, as part of a consortium with some neighbouring boroughs, secured a share of £300k Government funding following submitting a joint bid. With some of this funding, as part of a longer-term solution to our rough sleeping cohort, EFDC have procured a 6 bed HMO which will be used specifically for people rough sleeping, or at risk of. Chess and Peabody will be responsible for delivering the appropriate in-reach support moving forward.

In addition to this, we are also converting a 3-bedroom house within our own stock to increase our provision for the higher needs cohort. This property will be leased to Chess to manage and will mirror that of the PRS HMO, regarding longer term, intensive wrap around support. This provides us with a total of 9 rooms to use solely for the prevention of rough sleeping which is a fantastic and exciting prospect for EFDC.

We are also undertaking work to start planning our estimated rough sleeping count for November. We are required to report to Government on our rough sleeping population and will use local intelligence to form a snapshot of who may be rough sleeping, where they are and what we can do to support them off the streets for good.

We continue to take a proactive approach to rough sleepers and we have established partnerships with several local churches and organisations who passionately support us. We actively seek funding opportunities in order to build our provision and enable us to meet demand.

6. EXTRA CABINET MEETING - 16 NOVEMBER 2020

Please note that there will be an extra Cabinet meeting on **Monday 16th November** starting as usual at 7pm. This meeting will be to deal with the HMRC Site at North Weald.

Public notice

The Essex County Council (Epping Forest District) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No.11) Order 20**

Notice is hereby given that Essex County Council proposes to make the above Order under Sections 1(1), 2(1) to (3), 3(2), 4(1), 4(2), 32(1), 35(1), 45, 46, 49 and 53 and Part IV of Schedule 9 of the Road Traffic Regulation Act 1984.

The effect of the Order: To introduce 'No Waiting at Any Time' restrictions on the following lengths of Bell Common in the District of Epping Forest:

Road	Description
Bell Common SOUTH SIDE	From its junction with Theydon Road in an easterly direction, for approximately 19 metres
Bell Common NORTH SIDE	From its junction with Theydon Road in an easterly direction, for approximately 12 metres

This Order will be incorporated into The Essex County Council (Epping Forest District) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) Consolidation Order 2019 by substituting tile number TL450 010 revision 0 to revision 1.

Further details: All associated documents for the proposed scheme are available on the Essex Highways website: <http://www.essexhighways.org/Transport-and-Roads/Highway-Schemes-and-Developments/Traffic-Regulation-Orders.aspx>

If you need to view a hard copy of these documents please call 07703796401 or 07515999663 to arrange a suitable time to inspect the documents quoting the below reference number. The Essex County Council (Epping Forest District) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No.11) Order 20**

STATEMENT OF REASONS:

Epping Local Highways Panel has highlighted Speeding issues down Bell Common and the original scheme validation assessment suggested build outs to combat this, however build outs were deemed unfeasible along Bell Common.

The scheme proposal has now been re-designed to meet the need highlighted by the Local Highways Panel. This will involve the closure of Bell Common's connection to High Road, making the Bell Common's only connection to the network Theydon Road.

To support the above elements this overall scheme it is proposed to install double yellow lines at the junction of Bell Common and Theydon Road to provide junction protection here, preventing sight lines from be obscured or the junction being obstructed by parked vehicles, allowing appropriate access to Bell Common.
