

EPPING FOREST DISTRICT COUNCIL COMMITTEE MINUTES

Committee: Area Planning Sub-Committee West **Date:** 16 March 2022

Place: Council Chamber, Civic Offices, High Street, Epping **Time:** 7.00 - 8.40 pm

Members Present: S Heather (Chairman), D Dorrell (Vice-Chairman), N Avey, H Kane, S Kane, J Lea, J Leppert, T Matthews, M Sartin and D Stocker

Apologies: R Bassett, A Mitchell and D Plummer

Officers Present: V Messenger (Democratic Services Officer) and T Carne (Corporate Communications Team Manager)

Officers Present virtually: G Courtney (Planning Applications and Appeals Manager (Development Management)), A Marx (Development Manager Service Manager (Planning)), C Ahmet (Planning Officer), S Dhadwar (Senior Planning Officer) and A Hendry (Democratic Services Officer)

29. WEBCASTING INTRODUCTION

The Chairman made a short address to remind all present that the meeting would be broadcast on the Internet, and that the Council had adopted a protocol for the webcasting of its meetings. The Sub-Committee noted the Council's Protocol for Webcasting of Council and Other Meetings.

30. WELCOME AND INTRODUCTION

The Chairman welcomed members of the public to the meeting and outlined the procedures and arrangements agreed by the Council, to enable persons to address the Sub-Committee in relation to the determination of applications for planning permission.

31. MINUTES

RESOLVED:

That the minutes of the Sub-Committee held on 16 February 2022 be taken as read and signed by the Chairman as a correct record.

32. DECLARATIONS OF INTEREST

- a) Pursuant to the Council's Members' Code of Conduct, Councillor S Heather declared a non-pecuniary interest in the following item of the agenda by virtue of being a member of the Lee Valley Regional Park Authority. The Councillor had determined that he would remain in the meeting for the consideration of the application and voting thereon:

- EPF/2036/20 Roydon Marina Village, High Street, Roydon CM19 5EJ

- b) Pursuant to the Council's Members' Code of Conduct, Councillor S Heather declared a non-pecuniary interest in the following item of the agenda by virtue of being a member of the Lee Valley Regional Park Authority. The Councillor had determined that he would remain in the meeting for the consideration of the application and voting thereon:
- EPF/2713/21 Land at the former Chimes Garden Centre, Old Nazeing Road, Nazeing EN10 6RJ
- c) Pursuant to the Council's Members' Code of Conduct, Councillor M Sartin declared a non-pecuniary interest in the following item of the agenda by virtue of being a member of the Lee Valley Regional Park Authority. The Councillor had determined that she would remain in the meeting for the consideration of the application and voting thereon:
- EPF/2036/20 Roydon Marina Village, High Street, Roydon CM19 5EJ
- d) Pursuant to the Council's Members' Code of Conduct, Councillor M Sartin declared a non-pecuniary interest in the following item of the agenda by virtue of being a member of the Lee Valley Regional Park Authority. The Councillor had determined that she would remain in the meeting for the consideration of the application and voting thereon:
- EPF/2713/21 Land at the former Chimes Garden Centre, Old Nazeing Road, Nazeing EN10 6RJ

33. ANY OTHER BUSINESS

It was reported that there was no urgent business for consideration at the meeting.

34. EPPING FOREST DISTRICT COUNCIL PLANNING POLICY BRIEFING NOTE (OCTOBER 2021)

It was noted that the briefing note, dated October 2021, had been produced by the Planning Policy team to ensure that a consistent approach was taken to the provision of planning policy advice for the District, particularly in relation to the Epping Forest District Local Plan Submission Version (LPSV), which was published on 18 December 2017 and the Main Modifications to the LPSV published for consultation between 15 July and 23 September 2021.

The Planning Policy Briefing Note (October 2021) was available at:
<https://www.eppingforestdc.gov.uk/wp-content/uploads/2021/10/PlanningPolicyBriefing-Note-06-October-2021-accessible.pdf>

35. SITE VISITS

Councillor M Sartin proposed a site visit for EPF/2036/20 - Roydon Marina Village, High Street, Roydon CM19 5EJ, which was seconded by Councillor N Avey, prior to the consideration and determination of the remaining applications.

36. PLANNING APPLICATION - EPF/1549/18 - RACEDALE, TYLERS ROAD, ROYDON, ESSEX, CM19 5LJ

APPLICATION No:	EPF/1549/18
------------------------	-------------

SITE ADDRESS:	Racedale Tylers Road Roydon Essex CM19 5LJ
PARISH:	Roydon
WARD:	Broadley Common, Epping Upland and Nazeing
DESCRIPTION OF PROPOSAL:	Demolition of existing dwelling and erection of two detached dwellings
DECISION:	Grant Permission (Subject to Legal Agreement)

Click on the link below to view related plans and documents for this case:

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=610393

CONDITIONS

1. The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
2. The development hereby permitted will be completed strictly in accordance with the approved drawings nos: CA 0318.01, 02, 03, 04, 05 & 06
3. Samples of the types and colours of the external finishes shall be submitted to and approved by the Local Planning Authority in writing prior to their use on site. The development shall be implemented in accordance with such approved details. For the purposes of this condition, the samples shall only be made available for inspection by the Local Planning Authority at the planning application site itself.
4. No development shall commence until an assessment of the risks posed by any contamination, carried out in accordance with British Standard BS 10175: Investigation of potentially contaminated sites - Code of Practice and the Environment Agency's Model Procedures for the Management of Land Contamination (CLR 11) (or equivalent British Standard and Model Procedures if replaced), shall have been submitted to and approved in writing by the local planning authority. If any contamination is found, a report specifying the measures to be taken, including the timescale, to remediate the site to render it suitable for the approved development shall be submitted to and approved in writing by the local planning authority. The site shall be remediated in accordance with the approved measures and timescale and a verification report shall be submitted to and approved in writing by the local planning authority. If, during the course of development, any contamination is found which has not been previously identified, work shall be suspended and additional measures for its remediation shall be submitted to and approved in writing by the local planning authority. The remediation of the site shall incorporate the approved additional measures and a verification report for all the remediation works shall be submitted to the local planning authority within 21 days of the report being completed and approved in writing by the local planning authority.
5. Following completion of the measures identified in the approved

remediation scheme, and prior to the first use or occupation of the development, a verification report that demonstrates the effectiveness of the remediation carried out must be produced together with any necessary monitoring and maintenance programme and copies of any waste transfer notes relating to exported and imported soils shall be submitted to the Local Planning Authority for approval. The approved monitoring and maintenance programme shall be implemented.

6. In the event that any evidence of potential contamination is found at any time when carrying out the approved development that was not previously identified in the Phase 2 report, work shall be suspended and additional measures for its remediation shall be submitted to and approved in writing by the local planning authority. The remediation of the site shall incorporate the approved additional measures and a verification report for all the remediation works shall be submitted to the local planning authority within 21 days of the report being completed and approved in writing by the local planning authority.
7. If any tree, shrub or hedge shown to be retained in the submitted Arboricultural reports is removed, uprooted or destroyed, dies, or becomes severely damaged or diseased during development activities or within 3 years of the completion of the development, another tree, shrub or hedge of the same size and species shall be planted within 3 months at the same place, unless the Local Planning Authority gives its written consent to any variation. If within a period of five years from the date of planting any replacement tree, shrub or hedge is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree, shrub or hedge of the same species and size as that originally planted shall, within 3 months, be planted at the same place.
8. Prior to any above ground works, full details of both hard and soft landscape works (including tree planting) and implementation programme (linked to the development schedule) shall be submitted to and approved in writing by the Local Planning Authority. These works shall be carried out as approved. The hard landscaping details shall include, as appropriate, and in addition to details of existing features to be retained: proposed finished levels or contours; means of enclosure; car parking layouts; other minor artefacts and structures, including signs and lighting and functional services above and below ground. The details of soft landscape works shall include plans for planting or establishment by any means and full written specifications and schedules of plants, including species, plant sizes and proposed numbers /densities where appropriate. If within a period of five years from the date of the planting or establishment of any tree, or shrub or plant, that tree, shrub, or plant or any replacement is removed, uprooted or destroyed or dies or becomes seriously damaged or defective another tree or shrub, or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation
9. No development, including works of demolition or site clearance, shall take place until a Tree Protection Plan, Arboricultural Method Statement and site monitoring schedule in accordance with BS:5837:2012 (Trees in relation to design, demolition and construction - Recommendations) has been submitted to the Local Planning Authority and approved in writing. The development shall be carried out only in accordance with the approved documents unless the Local Planning Authority gives its written consent to

any variation.

10. Prior to first occupation of the development, measures shall be incorporated within the development to ensure a water efficiency standard of 110 litres (or less) per person per day.
11. Prior to preliminary ground works taking place, details of surface water disposal shall be submitted to and approved in writing by the Local Planning Authority. The development shall be implemented in accordance with such agreed details.
12. No preliminary ground works shall take place until a flood risk assessment and management and maintenance plan shall be submitted to and approved by the Local Planning Authority prior to commencement of development. The assessment shall include calculations of increased run-off and associated volume of storm detention using WinDes or other similar best practice tool. The approved measures shall be carried out prior to the substantial completion of the development and shall be adequately maintained in accordance with the management and maintenance plan.
13. Prior to any above groundworks, details and location of the parking spaces (including garages) equipped with active and/or passive Electric Vehicle Charging Point(s) shall have been submitted to and approved in writing with the Local Planning Authority (LPA), unless otherwise agreed in writing with the LPA. The installation of EVCP shall be completed in accordance with the approved details and made operational prior to first occupation. The details shall include:
 - Location of active and passive charging infrastructure;
 - Specification of charging equipment; and
 - Operation/management strategy. The council will expect that a management plan for the charging points is set out clearly. This will address:
 - a) Which parking bays will have active and/or passive charging provision, including disabled parking bays;
 - b) How charging point usage will be charged amongst users;
 - c) The process and the triggers for identifying when additional passive charging points will become activated; and
 - d) Electricity supply availability. The electricity supply should be already confirmed by the Network Provider so that the supply does not need to be upgraded at a later date
14. Prior to first occupation of the development, a scheme to enhance the ecological value of the site shall be submitted to and agreed in writing by the Local Planning Authority. The ecological value shall be quantified using the Biodiversity Impact Assessment Calculator (BIAC) where appropriate. The scheme shall be implemented in full prior to the occupation of the development hereby approved.
15. Prior to any above groundworks, a strategy to facilitate super-fast broadband for future occupants of the site shall have been submitted to and approved in writing by the Local Planning Authority (LPA). The strategy shall seek to ensure that upon occupation of a dwelling, either a landline or ducting to facilitate the provision of a broadband service to that dwelling from a site-wide network, is in place and provided as part of the initial highway works and in the construction of frontage thresholds to dwellings that abut the highway, unless evidence is put forward and agreed in writing by the LPA that technological advances for the provision of a broadband

service for the majority of potential customers will no longer necessitate below ground infrastructure. The development of the site shall be carried out in accordance with the approved strategy unless otherwise agreed in writing by the LPA.

16. The proposed new roof light shall be of the conservation type and shall be installed so that it is not any higher than the surrounding roof tiles.
17. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any other order revoking and re-enacting that order) no development permitted by virtue of any Class A, AA, B, or E within Part 1 of schedule 2 shall be undertaken, without the prior written agreement of the Local Planning Authority.
18. All construction/demolition works and ancillary operations, including vehicle movement on site which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.
19. No development shall take place, including any demolition works, until a construction management plan or construction method statement has been submitted to and approved in writing by the Local Planning Authority. The approved plan/statement shall be adhered to throughout the demolition/construction period. The plan/statement shall provide for:
 - 24 hour emergency contact number;
 - Hours of operation;
 - Parking of vehicle of site operatives and visitors (including measures taken to ensure satisfactory access and movement for existing occupiers of neighbouring properties during construction);
 - Routes for construction traffic;
 - Locations for loading/unloading and storage of plant, waste and construction materials;
 - Method of preventing mud being carried onto the highway;
 - Measures to protect vulnerable road users (cyclists and pedestrians)
 - Any necessary temporary traffic management measures;
 - Arrangements for turning vehicles;
 - Arrangements to receive abnormal loads or unusually large vehicles;
 - Methods of communicating the Construction Management Plan to staff, visitors and neighbouring residents and businesses.

37. PLANNING APPLICATION - EPF/2609/19 - 1-6 SHERNBROKE ROAD HOSTEL, SHERNBROKE ROAD, WALTHAM ABBEY, EN9 3JF

APPLICATION No:	EPF/2609/19
SITE ADDRESS:	1-6 Shernbroke Road Hostel Shernbroke Road Waltham Abbey EN9 3JF
PARISH:	Waltham Abbey
WARD:	Waltham Abbey Honey Lane

DESCRIPTION OF PROPOSAL:	Erection of 26 flats with associated parking & landscaping following demolition of the former Shernbroke Hostel.
DECISION:	Grant Permission (Subject to Legal Agreement)

Click on the link below to view related plans and documents for this case:

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=629854

CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 The development hereby permitted will be completed and retained strictly in accordance with the approved drawings numbers:
001 Rev I, 002 Rev G, 003 Rev G, 004 Rev G, 005 Rev G, 201 Rev G, 203 Rev E, 205 Rev F, 207, 208, 209, 501 Rev M and 901 Rev C;
54 064.21, 23 and 24;
22182se-01;
PSF1076WA 100 Rev I, 101 Rev I and 200 Rev I;
18159-SYM-XX-XX-DR-C-3000 Rev T4 and 3001 Rev T4;
2867/SK/E/230 Rev T1 and 2867/E/230 Rev T3
- 3 No development shall take place, including any works of demolition, until measures set out in the Construction Method Statement prepared by DCH Construction to accompany the application have been fully installed. The approved Statement shall be adhered to throughout the construction period.
- 4 A) No work on any phase of the development (with the exception of demolition works where this is for the reason of making areas of the site available for site investigation), shall commence until an assessment of the risks posed by any contamination within that phase shall have been submitted to and approved in writing by the Local Planning Authority. This assessment must be undertaken by a suitably qualified contaminated land practitioner, in accordance with British Standard BS 10175: Investigation of Potentially Contaminated Sites - Code of Practice and the Environment Agency's Guidelines for the Land Contamination: Risk Management (LCRM 2020) (or equivalent if replaced), and shall assess any contamination on the site, whether or not it originates on the site. The development shall only be carried out in accordance with the approved details unless the Local Planning Authority gives its written consent to any variation. The assessment shall include: (1) A survey of the extent, scale and nature of contamination and (2) An assessment of the potential risks to: human health; property (existing or proposed) including buildings, crops, livestock, pets, woodland, service lines and pipes; adjoining land; groundwater and surface waters; ecological systems; and archaeological sites and ancient monuments.

B) If following the risk assessment unacceptable risks are identified from land affected by contamination in that phase, no work on any phase of the development shall take place, until a detailed land remediation scheme has been completed. The scheme will be submitted to and approved in writing by the local planning authority. The scheme shall include an appraisal of remediation options, identification of the preferred

- option(s), the proposed remediation objectives and remediation criteria, and a description and programme of the works to be undertaken including the verification plan. (The remediation scheme shall be sufficiently detailed and thorough to ensure that after remediation, as a minimum, land should not be capable of being determined as contaminated land under Part IIA of the Environmental Protection Act 1990). The development shall only be carried out in accordance with the approved scheme. Following the completion of the remediation works and prior to the first occupation of the development, a verification report by a suitably qualified contaminated land practitioner shall be submitted to and approved in writing by the local planning authority.
- 5 No development, including works of demolition or site clearance, shall take place until the measures in the Tree Protection Plan, and Arboricultural Method Statement set out in the Arboricultural Impact assessment accompanying the application, particularly drawing number P3141.1 . 002 rev B in accordance with BS:5837:2012 (Trees in relation to design, demolition and construction - Recommendations). The development shall be carried out only in accordance with the approved documents unless the Local Planning Authority gives its written consent to any variation.
 - 6 No increase in the proposed levels of all ground floor slabs of buildings, roadways and accessways and landscaped areas shown in the drawings hereby approved shall take place without prior consent from the Local Planning Authority.
 - 7 The development be carried out in accordance with the Surface Water Drainage Strategy set out in the approved drainage plans (Drainage Layout Sheet 1 and 2, 18159-SYM-XX-XX-DR-C-3000, Rev T4, and 18159-SYM-XX-XX-DR-C-3001, Rev T4, September 2020) submitted with the application unless otherwise agreed in writing with the Local Planning Authority.
 - 8 No construction works above ground level shall have taken place until documentary and photographic details of the types and colours of the external finishes have been submitted to and approved by the Local Planning Authority, in writing, prior to the commencement of the development. The development shall be implemented in accordance with such approved details.
 - 9 Hard and soft landscaping works as detailed in drawings PSF1076WA 100 Rev I and 101 Rev I shall be undertaken during the first appropriate planting season following substantial completion of the buildings, unless otherwise agreed by the Local Planning Authority. If within a period of five years from the date of the planting or establishment of any tree, or shrub or plant, that tree, shrub, or plant or any replacement is removed, uprooted or destroyed or dies or becomes seriously damaged or defective another tree or shrub, or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.
 - 10 External lighting within the development in accordance with the details shown on drawing 28567/SK/E/230 Tev T1 shall be fully installed prior to first occupation of any residential unit within the development, unless otherwise agreed by the Local Planning Authority. No further lighting shall thereafter be installed on any external elevation of the above 3 metres

above ground level without the consent of the Local Planning Authority.

- 11 Cycle and refuse stores in accordance with details shown on drawings 207, 208 and 209 hereby approved shall be fully installed in accordance with the agreed details, and made available for use by residents within the development prior to first occupation of any residential unit within the development, unless otherwise agreed by the Local Planning Authority.
- 12 Prior to first occupation of the development, ecological enhancements set out in section 5.4 of the Ecological Assessment accompanying the application (by AGB Environmental dated 28 October 2019) shall be implemented in full, unless otherwise agreed by the Local Planning Authority.
- 13 No removal of hedgerows, trees or shall take place between 1st March and 31st August inclusive, unless a competent ecologist has undertaken a careful, detailed check of vegetation for active birds' nests immediately before the vegetation is cleared and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the Local Planning Authority.
- 14 All construction/demolition works and ancillary operations, including vehicle movement on site which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.
- 15 Wheel washing or other cleaning facilities for vehicles leaving the site during construction works shall be installed and utilised to clean vehicles immediately before leaving the site. Any mud or other material deposited on nearby roads as a result of the development shall be removed.
- 16 If any tree, shrub or hedge shown to be retained in the submitted Arboricultural reports is removed, uprooted or destroyed, dies, or becomes severely damaged or diseased during development activities or within 3 years of the completion of the development, another tree, shrub or hedge of the same size and species shall be planted within 3 months at the same place, unless the Local Planning Authority gives its written consent to any variation. If within a period of five years from the date of planting any replacement tree, shrub or hedge is removed, uprooted or destroyed, or dies or becomes seriously damaged or defective another tree, shrub or hedge of the same species and size as that originally planted shall, within 3 months, be planted at the same place.
- 17 No trenches or pipe runs for services and drains required to service the development hereby approved shall be cut or laid otherwise than in accordance with BS5837:2012 (Trees in relation to design, demolition and construction - Recommendations), except with the approval of the local planning authority.
- 18 Prior to first occupation of the development hereby approved, the active Electric Vehicle Charging Points shown on drawing 2867/E/230 Rev T3, and infrastructure indicated on the said plan for future installation of additional Electric Vehicle Charging Points shall be installed and retained thereafter for use by the occupants of the site.

- 19 All material excavated from the below ground works hereby approved shall be removed from the site unless otherwise agreed in writing by the Local Planning Authority.
- 20 Prior to first occupation of the development, measures shall be incorporated within the development to ensure a water efficiency standard of 110 litres (or less) per person per day.
- 21 Prior to the first occupation of the development, the vehicle parking and turning areas as indicated on the approved plans shall be provided, hard surfaced, sealed and marked out. The parking and turning areas shall be retained in perpetuity for their intended purpose.
- 22 Prior to the first occupation of the development the Developer shall implement raised kerbs to the two adjacent bus stops (Morris Court and Gants Court), with all details being agreed with the Highway Authority.
- 23 Prior to first occupation of the proposed development, the Developer shall be responsible for the provision and implementation, per dwelling, of a Residential Travel Information Pack for sustainable transport, approved by Essex County Council, to include six one day travel vouchers for use with the relevant local public transport operator.
- 24 No unbound material shall be used in the surface treatment of the vehicular access within 6 metres of the highway boundary.
- 25 External balconies indicated on the plans hereby permitted shall not be infilled or enclosed above the height of the external means of enclosure thereto without prior consent from the Local Planning Authority.

38. PLANNING APPLICATION - EPF/1144/20 - GLENHOLME NURSERY, NURSERY ROAD, NAZEING, WALTHAM ABBEY, EN9 2JF

APPLICATION No:	EPF/1144/20
SITE ADDRESS:	Glenholme Nursery Nursery Road Nazeing Waltham Abbey EN9 2JF
PARISH:	Nazeing
WARD:	Lower Nazeing
DESCRIPTION OF PROPOSAL:	Proposed removal of 2 existing caravans, demolition of existing buildings (115m ²), retention of building A (97m ²), erection of building B (97m ²) for agricultural workers accommodation with provision of associated amenity space.
DECISION:	Grant Permission (With Conditions)

Click on the link below to view related plans and documents for this case:

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=637520

CONDITIONS

- 1 The demolition of the existing buildings and erection of building B as shown on drawing number 4010/3A shall be begun before the expiration of three years from the date of this permission.
- 2 The development hereby permitted shall be carried out and retained strictly in accordance with the following approved plans:

4010/1A, 4010/2, 4010/3A, 4010/4A, 4010/5, 4010/6, TCTC-17864-PL-01, TCTC-17864- PL-02A Proposed Layout Plan and Remediation Recommendations, TCTC-17864-L-01, TCTC-17864 Tree schedule (BS5837), TCTC-17864-B, Phase 1 Habitat Survey and scoping assessment by Hybrid Ecology Ltd 12th October 2020, Planning Statement.
- 3 Within three months from the date of this decision the caravans shown on drawing 4010/2 to be removed shall be removed from the site.
- 4 The occupation of the development hereby approved shall be limited to a 10 persons maximum for the development, Occupants must also be solely or mainly working, in horticulture, agriculture or in forestry, at Glenholme Nursery, Nursery Road, Nazeing.
- 5 The refuse storage facility shown on the approved plans shall be completed within three months from the date of this decision and shall thereafter be retained free of obstruction and used for the storage of refuse and recycling only and for no other purpose, unless otherwise agreed in writing by the Local Planning Authority.
- 6 All mitigation and enhancement measures and/or works shall be carried out in accordance with the details contained in the Ecological Survey (Hybrid Ecology Ltd, October 2020), as already submitted with the planning application and agreed in principle with the local planning authority prior to determination.
- 7 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015, as amended, (or any other order revoking, further amending or re-enacting that Order) no development generally permitted by virtue of Class A of Part 2 of Schedule 2 to the Order, shall be undertaken without the prior written permission of the Local Planning Authority.
- 8 The vehicle parking as indicated on the approved plans shall be provided within three months from the date of this decision and retained as such in perpetuity for their intended purpose.
- 9 Prior to the commencement of any further above ground level works, a Biodiversity Enhancement Layout for protected and Priority species shall be submitted to
and approved in writing by the local planning authority, following the details contained within the Ecological Survey (Hybrid Ecology Ltd, October 2020).

- The content of the Biodiversity Enhancement Layout shall include the following:
- a) Purpose and conservation objectives for the proposed enhancement measures;
 - b) detailed designs to achieve stated objectives;
 - c) locations of proposed enhancement measures by appropriate maps and plans;
 - d) persons responsible for implementing the enhancement measures;
 - e) details of initial aftercare and long-term maintenance (where relevant).
- The works shall be implemented in accordance with the approved details and shall be retained in that manner thereafter.
- 10 Prior to any further ground works taking place, details of foul and surface water disposal shall be submitted to and approved in writing by the Local Planning Authority. The development shall be implemented in accordance with the approved details, and shall be provided on site prior to the first occupation and shall be retained for the lifetime of the development.
 - 11 Should the worker accommodation hereby approved be no longer required then the buildings shall be removed from the site together with any associated materials.
 - 12 Prior to any further ground works taking place, an assessment of the risks posed by any contamination, carried out in accordance with British Standard BS 10175: Investigation of potentially contaminated sites - Code of Practice and the Environment Agency's Model Procedures for the Management of Land Contamination (CLR 11) (or equivalent British Standard and Model Procedures if replaced), shall have been submitted to and approved in writing by the local planning authority. If any contamination is found, a report specifying the measures to be taken, including the timescale, to remediate the site to render it suitable for the approved development shall be submitted to and approved in writing by the local planning authority. The site shall be remediated in accordance with the approved measures and timescale and a verification report shall be submitted to and approved in writing by the local planning authority. If, during the course of development, any contamination is found which has not been previously identified, work shall be suspended and additional measures for its remediation shall be submitted to and approved in writing by the local planning authority. The remediation of the site shall incorporate the approved additional measures and a verification report for all the remediation works shall be submitted to the local planning authority within 21 days of the report being completed and approved in writing by the local planning authority.
 - 13 Following completion of the measures identified in the approved remediation scheme, and prior to the first use or occupation of the development, a verification report that demonstrates the effectiveness of the remediation carried out must be produced together with any necessary monitoring and maintenance programme and copies of any waste transfer notes relating to exported and imported soils shall be submitted to the Local Planning Authority for approval. The approved monitoring and maintenance programme shall be implemented.
 - 14 In the event that any evidence of potential contamination is found at any time when carrying out the approved development that was not

previously identified in the Phase 2 report, work shall be suspended and additional measures for its remediation shall be submitted to and approved in writing by the local planning authority. The remediation of the site shall incorporate the approved additional measures and a verification report for all the remediation works shall be submitted to the local planning authority within 21 days of the report being completed and approved in writing by the local planning authority.

15 Prior to any further above groundworks, details and location of the parking spaces (including garages) equipped with active and/or passive Electric Vehicle Charging Point(s) shall have been submitted to and approved in writing with the Local Planning Authority (LPA), unless otherwise agreed in writing with the LPA. The installation of EVCP shall be completed in accordance with the approved details and made operational prior to first occupation. The details shall include:

- Location of active and passive charging infrastructure;
- Specification of charging equipment; and
- Operation/management strategy. The council will expect that a management plan for the charging points is set out clearly. This will address:
 - a) Which parking bays will have active and/or passive charging provision, including disabled parking bays;
 - b) How charging point usage will be charged amongst users;
 - c) The process and the triggers for identifying when additional passive charging points will become activated; and
 - d) Electricity supply availability. The electricity supply should be already confirmed by the Network Provider so that the supply does not need to be upgraded at a later date.

16 Prior to any further above groundworks, a strategy to facilitate super-fast broadband for future occupants of the site shall have been submitted to and approved in writing by the Local Planning Authority (LPA). The strategy shall seek to ensure that upon occupation of a dwelling, either a landline or ducting to facilitate the provision of a broadband service to that dwelling from a site-wide network, is in place and provided as part of the initial highway works and in the construction of frontage thresholds to dwellings that abut the highway, unless evidence is put forward and agreed in writing by the LPA that technological advances for the provision of a broadband service for the majority of potential customers will no longer necessitate below ground infrastructure. The development of the site shall be carried out in accordance with the approved strategy unless otherwise agreed in writing by the LPA.

17 No deliveries, external running of plant and equipment or demolition and construction works, other than internal works not audible outside the site boundary, shall take place on the site other than between the hours of 07:30 to 18:00 on Monday to Friday and 08:00 to 13:00 on Saturday and not at all on Sundays, Public or Bank Holidays without the prior written permission of the Local Planning Authority.
