Planning Enforcement Officers	Sharon Hart	01992 564113
	Jim Gordon	01992 564530
	Zara Seelig	01992 564379
	Mick Mooney	01992 564713
Compliance Officer	Shannon Murphy	01992 564217

PART C - PORTFOLIO HOLDER DECISIONS

The notification of decisions taken by individual Portfolio Holders is no longer included in the Council Bulletin.

All members of the Council receive automatic email notification of the publication of each individual Portfolio Holder decision and the call-in period for each decision commences immediately. Members wishing to call-in a decision should complete the attached call-in form and return it to Democratic Services before the expiry of five working days following the publication date of the decision. Members should refer to the Constitution (Article 6 - Overview and Scrutiny) for the rules of call-in.

ANNUAL CANVASS OF ELECTORS 2018

**PLEASE USE THE
AUTOMATED RESPONSE OPTIONS
(Internet, phone or a mobile)**

The 2018 annual canvass of electors will start next week

Please look out for the form addressed to “The Residents”.

(Even if there are no changes to your details you need to confirm this or tell us about any changes.)

If you have access to the internet, phone or a mobile then please respond online, by phone or by text. It’s really simple and quick.

Last year 60% of households used the automated response options which was great but many more could have used them but didn’t.

Sending reminders cost the council £20,000 last year, money which could otherwise be spent on providing essential public services to our residents.

We need staff and Members to set a good example by responding promptly and by using the automated response options – hand delivering forms to our office saves postage but means we still have to scan and process them!

Please encourage your family, friends and neighbours to use the automated response options.

To respond PLEASE log on, phone or text your response as soon as possible and by 21 August at the latest. It’s simpler, clearer and faster online or by phone – you will need the two part security code on the front of the form.

Remember, there might be another Parliamentary election soon so make sure you are registered by responding NOW.

By law, each household needs to respond so if you do it NOW we won’t have to send you a reminder. Please help us keep costs down.

Safe and compassionate Progress report: June 2018

One of the most important parts of our improvement journey is our quality objectives.

We describe all nine in our improvement plan [‘Getting to Good and Outstanding’](#).

One of these is to reduce calls to avoidable cardiac arrests on our wards by 10%.

We’ve been working hard on this across the Trust, and nowhere more so than at Whipps Cross Hospital.

Three years ago the hospital was an outlier. But by taking a systematic and multi-disciplinary approach to tackling this issue the team have achieved fantastic results. They’ve worked enormously hard to ensure that patients who experience a deterioration in their health are spotted early and responded to appropriately with their care plans being escalated or adjusted accordingly. As a result there was 32% reduction at Whipps Cross last year. This was a brilliant achievement – but we’re embedding a culture of continuous improvement so we haven’t stopped there...

The work continued, and I am delighted to tell you that in June there was not a single ward based cardiac arrest across Whipps Cross Hospital.

I would like to pay tribute to the team involved and particularly the leadership of Dr Tom Smith who has [blogged about this work on our website](#). It’s a wonderful example of how such hard work to deliver our quality objectives is making care better and safer for our patients.

Please see more improvements and our latest performance overleaf.

Alwen Williams
Chief Executive

Barts Health highlights this month

- **More CQC improvement:** [An inspection report](#) into surgery at Whipps Cross confirmed we're getting better. The service's rating improved from 'Inadequate' to 'Requires Improvement', meaning that no services are any longer rated 'Inadequate' overall across the whole of Barts Health NHS Trust.
- **More awards:** Dr Ian Basnett was awarded an [OBE for his services](#) to public health. Dr Satya Bhattacharya, a consultant general surgeon at Royal London Hospital and Serjeant-Surgeon to Her Majesty the Queen and the Royal Household, was made a Lieutenant of the Royal Victorian Order (LVO). Dr Vanessa Apea and Bijay Sinha won awards at the [Windrush 70 ceremony](#). For a full list of Barts Health's recent award winners [see our website](#).
- **More cancer support:** We celebrated 25 years of working in partnership with Macmillan Cancer Support with a further [£1.5m investment](#) from the charity which includes the recruitment of 12 additional specialist nurses and support workers.

Hospital highlights this month

Page 16

We held an event to share the learning from when things have not gone as well as we'd like, with prizes for the best presentations.

We're growing ideas on improvement trees which now adorn the walls of three of our wards.

The Royal London Hospital and Mile End Hospital

Newham University Hospital

17 change champions have been recruited to help us bring our values to life and create the right culture for staff and patients.

Two local MPs formally opened our MRI scanner which provides higher quality images.

By implementing SAFER - a tool which blends five elements to help reduce the time patients spend in hospital – showed:

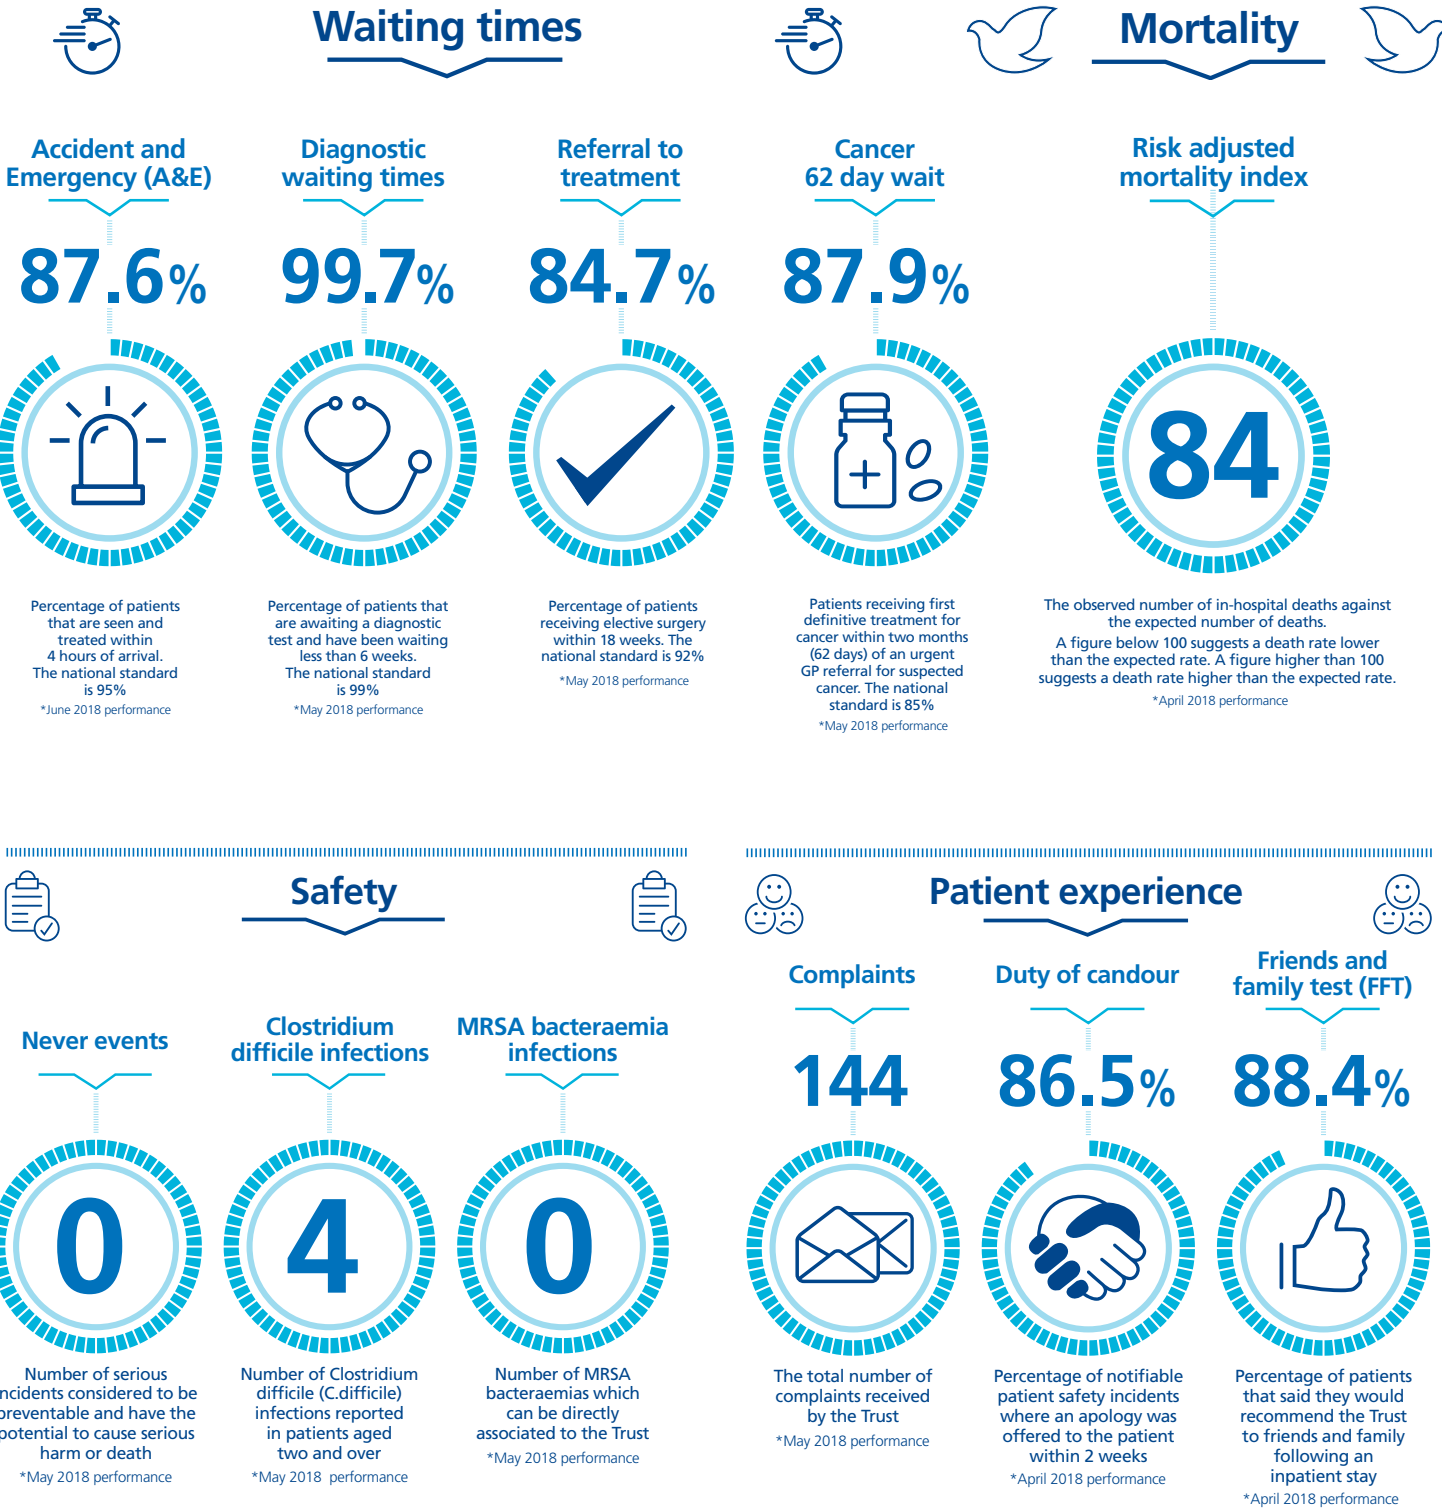

- cardiology saw a 25% increase in activity within the same capacity
- the average length of stay in our acute coronary care unit has reduced from 45 to 25 days.

St Bartholomew's Hospital

Whipps Cross University Hospital

The first walk-in clinic in England offering cervical screening tests to women who have experienced female genital mutilation (FGM) opened at Whipps Cross.

We had zero ward-based cardiac arrests in June.

This page includes the latest published performance for a range of key indicators at the time of publication.
