Work sn... anxious

PAY-OFF WAS BIG MISTAKE

NO one from my old job has kept in touch with me. I thought my co-workers would be my support but now they're all pointing up to me and I fear I've made the biggest mistake of my life.

Novelty

My colleagues were my world. We laughed, cried and socialised together. I was invited to parties and celebrations every weekend. Working from home was a novelty at first. I liked getting up later and eating lunch in my PJ's. When the boss offered client redundancy pay, I nearly bit his hand off because loads of my colleagues told me they were interested in the deal too. As it turned out, only five of us ended up leaving. By last September I realised I'd jumped too soon. I'm still on my old office WhatsApp group, but feel like a fish out of water. I post funny pictures, jokes and comments but on one really replies. It's frustrating when I pick up the phone. Nobody has the time to talk. I'm not stupid - I can tell when someone is trying to get rid of me because the "postman" is at the door" or "the dog's hungry."

I'm working on a project of my own, which is bringing in money, so paying my bills isn't a problem. But I've always been a social person and being on my own has left me feeling desperately cut off and anxious.

Dear Sir/Madam,

LICENSING ACT 2003
THE REGULATORY REFORM (FIRE SAFETY) ORDER 2005
Premises: Gourmet Sheesh, 155 Manor Road Chigwell IG7 5QA

I refer to your recent application made under the Licensing Act 2003 for a Premises Licence.

Essex Police, Fire and Crime Commissioner Fire and Rescue Authority (hereafter called "the Authority") has now audited the application and is of the opinion, taking into consideration the information submitted, that you do not anticipate any additional risk to the public as a consequence of the proposed application being approved.

As a result, the Authority does not propose to carry out an inspection of the premises at this time.

It is however brought to your attention that in addition to the Licensing Act 2003, these premises come under The Regulatory Reform (Fire Safety) Order 2005 (The Order) and have now been entered on the Service Risk Based Inspection Programme. As a result, an announced audit may be carried out.

The inspection will be focused upon your site-specific fire risk assessment. You will have to demonstrate to the Inspecting Officer that you have implemented suitable and sufficient measures to satisfy the requirements of The Order.

For technical detail and guidance, you are strongly advised to purchase the guidance document from the list attached to this letter. Alternatively, these can be viewed online at <https://www.gov.uk/workplace-fire-safety-your-responsibilities/fire-safety-advice-documents>. When purchasing or installing equipment, compliance with the relevant British Standard is normally taken as being adequate. Should the issues set out in this report require major changes or costs, then you are advised to take professional advice before proceeding.

The Authority will pursue contraventions of the Order to a satisfactory conclusion: this may include enforcement action being taken proportional to the circumstances. Further, should a fire safety concern arise that is not subject to the provisions of The Order but does / will impact on the Licensing Act objective for public safety that cannot be satisfactorily resolved, it is likely to result in a request for a review of the licence being made by the Authority.

If you require further information regarding this or any other fire precautionary matter, please contact the above named Officer quoting our reference number.

Yours faithfully,

Susan Askew

Good afternoon and thank you for your email,

Following similar comments, and resulting interactions with the applicant they have amended their application as follows:

1. Music is no longer sought outside; only inside.
2. Licensable hours reduced to 23:00 Monday to Sunday.

They have also agreed a number of additional conditions with the councils community resilience team; including

'No live or amplified music to occur outside.'

'No external speakers.'

'All external door and windows shall be closed by 21:00 hours to minimise the noise the premises, other than access and regress of patrons.'

'Alcohol should be served ancillary to a table meal or take away.'

'No customers shall be permitted to consume food or drink outside the premises between the hours of 21:00 hours – 11:00 hours.'

I believe these amendments address most of your concerns. In respect to your comments about parking; this cannot be a consideration for the licence as it is a public highway.

If you still have any concerns, and they relate to one or more of the four licensing objectives please do let me know by return.

In the meantime I will place your comments on file; but no further action will be taken.

Hi

This email sets out an objection to the granting of the above application on behalf of the Board of Directors and the 17 flats at Park Grange ([REDACTED] Manor Road):

- **The prevention of crime and disorder**
Music on the premises (including externally), late opening hours and alcohol will attract more and the wrong type of visitors, who are bound to gather outside the premises. This will lead to increased incidents of crime and disorder.
- **Public safety**
Public safety is not currently a significant issue but is likely to become one if this licence is granted because a lot more people will come here on cars and motorcycles etc. Please note this area

already has restricted parking and is predominately residential.

This parade of shops is a small area consisting of local convenience shops and is not appropriate for the licence being applied for.

- **The prevention of public nuisance**

There is no question that all three items outlined in the application (i.e. music, late night refreshments and alcohol) every day will combine to cause public nuisance. In addition, there will be extra noise from increased traffic.

- **The protection of children from harm**

As noted, this is a residential area populated by many families with young children. Having seven days of late-night disturbance from music and additional traffic would be harmful to children not to mention issues associated with alcohol.

We understand it is the practice of the Authority to inform the Applicant of the names and addresses of anybody objecting to the application. We would like to inform the Senior Licensing Officer that in this case the named party are the Board of Directors and the residents of Park Grange (151 Manor Road).

Kind regards

Park Grange

Dear Sirs,

Re: **GOURMET SHEESH, 155 MANOR ROAD, CHIGWELL, IG7 5QA**

We refer to our previous correspondence in connection with the Licence application of the above premises, copy attached for ease and thank you for your speedy response to the Board of Park Grange advising of the small revisions made by the applicant. We are disappointed, and in our view the application is still inappropriate, as it does not fully address our concerns. Please find our further objections: -

- **The prevention of crime and disorder**
Keeping the doors and windows open until 9pm will still attract increased footfall in what is already a restricted space. This will still lead to people gathering outside the premises, which will lead to increased incidents of crime and disorder.
- **Public Safety**
The proposed amendments still do not reflect the fact that this parade of shops is a small area consisting of local convenience shops (e.g. florist and dry cleaners) that is not in keeping with the licence being applied for. Instead the application is more suited to the nearby Brook Parade given the more commercial and social nature of the businesses there including a pub. In comparison, our block of flats is just yards away from the applicant and includes a number of young families and elderly residents who appreciate the residential nature of the surroundings. Giving permission for the licence will compromise this.
- **The prevention of public nuisance**
Despite the revisions made by the applicant, the proposal to offer the consumption of alcohol outdoors between the hours of 11am to 9pm will still adversely contribute to the public nuisance that we alluded to in our initial objection. Again, we would point out that our block of flats is just yards away from the premises so we would experience the full force of this if it the application was to be granted.

Dear Peter,

Further to the email below, I would like to share comments raised by the residents of Park Grange (neighbours to the applicant), which should have been included in the attached letter.

Please therefore consider the concerns below simultaneously to the attached letter in reviewing the above application.

- **The prevention of public nuisance**

Even if the property were to be adequately sound proofed, we suspect noise from patrons, kitchens, opening and closing times, disposal of bottles etc would still filter through to us. We are also concerned about additional litter, food waste not being disposed of correctly and the risk of infestations. Smokers would also congregate outside the venue. Where alcohol is involved, the possibility for nuisance and inappropriate behaviour is increased. We are also concerned it will set a precedent for the nextdoor Chinese takeaway to apply for an alcohol licence in order to compete and exacerbate the problem.

Kind regards

YOUR REF: WK/202116170

Application in respect of premises licence(s)

GOURMET SHEESH

155 MANOR ROAD, CHIGWELL, IG7 5QA

I refer to the EFDC Notification of Consultation, dated 4 May 2021, in respect of the above subject application for premises licence(s).

I make the following representations against the application.

1. **Public Nuisance**

The application seeks licence for, inter alia, (i) the outdoor playing / performance of Recorded Music until midnight daily; (ii) the outdoor serving of Late Night Refreshments until midnight daily; and (iii) the off premises Sale of Alcohol until 11PM daily.

Such activities will, individually and together, create a significant, persistent, and unlawful public nuisance due to the ensuing intrusive noise and disturbance of the outdoor music and/or outdoor customers (as well as the coming, going, and gathering outside of customers at unsociable hours of the evening and night on a daily basis) in what is fundamentally and overwhelming a residential neighbourhood. Such significant, persistent, and unlawful public nuisance will also be exacerbated by the noise and commotion of the increased vehicle traffic of the customers of the establishment at unsociable hours of the evening and night. These public nuisances will substantially prejudice and infringe the right of quiet and peaceful enjoyment of the residents in proximity to 155 Manor Road, including but not limited to the residents of Grange Crescent.

Furthermore, Grange Crescent residents face further and additional public nuisance in terms of increased vehicle parking / traffic (and consequent increased human traffic) along Grange Crescent, especially at unsociable hours of the evening and night. Grange Crescent residents have suffered the longstanding and significant issue of obstructive, unlawful, and unsafe vehicle parking all along Grange Crescent by customers of the parade of shops on Manor Road (that includes 155 Manor Road) - that stand either side of the junction of Grange Crescent with Manor Road. This persisting issue has been due to the very limited and very restricted parking places by the Manor Road shop parade (where 155 Manor Road is located). As such the granting of the subject licence to the subject premises will increase both vehicle and human traffic along Grange Crescent, exacerbating an existing public nuisance and creating a further such public nuisance each evening and each night.

I refer you also to my related Public Safety representations below.

2. **Prevention of Crime and Disorder**

The application seeks licence for (i) the off premises Sale of Alcohol until 11PM daily, along with (ii) the outdoor playing / performance of Recorded Music until midnight daily, and (iii) the outdoor serving of Late Night Refreshments until midnight daily. The sale of alcohol in such manner and at such times will inevitably cause public drunkenness and public disorder, which will be exacerbated by the proposed licence for the activities (ii) and (iii). I refer you also to my related Public Nuisance and Public Security representations, above and below.

3. **Public Safety**

The issue of public drunkenness and disorder referred to above raises obvious consequent issues of public safety.

Equally, the issues referred to above of increased obstructive, unlawful, and unsafe vehicle parking in the evening and at night raise issues of public safety. In particular, limited and restricted parking immediately along the Manor Road parade (either side of the Grange Crescent junction) has led many shop customer vehicles being unsafely and / or unlawfully parked fully on the pavement and at the corners of the junction of Grange Crescent and Manor Road. This unsafe and unlawful parking has meant longstanding and serious road safety issues for Grange Crescent residents emerging from and entering the the junction of Grange Crescent with Manor Road due to extremely restricted lines of sight and visibility to oncoming traffic. It has also meant that pedestrians entering / learning Grange Crescent often have to walk in the road to get past vehicles mounted on the narrow payment at the head of Grange Crescent. The issues of public safety of road users will be exacerbated by increased obstructive, unlawful, and unsafe vehicle parking in the evening and at night by customers of the subject establishment.

Faithfully,

Mrs H K Bassi
