

EFDC SCI consultation Q13

Name	13.Are there any aspects of getting involved with planning matters that have not been included that you feel should be?
Martin Hall	No
Mr & Mrs Leng	no
K A Miller	discuss controversial applications with a news reporter for 'accurate' details in the local newspaper. Not headline but on a regular internal page for reference. Town planning should be seen to be working
Mrs K G Freeman	EFDC Planning Dept etc must post proposals planning applications for building in green belt & agricultural (working) crop growing land in North Weald Bassett Areas NWB A and NWB B with a clear straightforward questionnaire with clear questions!! NO TRICKS!! just asking local residents if they want housing estates built all over the Green Belt fields that farmer landowners like us moved to because we were driven out of London because of total change of the social ??? of it left us with a country that we feel very uncomfortable living in!!!
Mr William Freeman	EFDC Planning etc must post proposed planning applications for building in green belt & agricultural crop growing land in North Weald Bassett Areas NWB A & NWB B with a clear straightforward return questionnaire with clear questions!! NO TRICKS!! just asking local residents if they want housing estates etc built all over the Green Belt fields that farmer landowners like me/ us moved here because we couldn't stand what has happened in London anymore!!!
Alisa Jones	I am not happy that I have not been able to respond properly to this document , as I have not found it user friendly and I know friends that have decided just not to respond at all because of that reason, which is not going to give a true picture of the depth of local feeling. Pretty disgusting.
Mrs Valerie Mavin	EFDC Planning etc must post proposed planning applications for building in green belt & agricultural crop growing land in North Weald Bassett Areas NWB A & NWB B with a clear straightforward return form/ questionnaire just asking local residents if they want housing estates etc built all over the Green Belt fields that farmer landowners like us moved here to live with because we were drive out of London by the total change of the social character leaving us with a country very uncomfortable to live in !!
Robert R G Day	council meeting should be more open for discussion on planning
Barbara Seal	I do not think the time allowed for obtaining peoples opinions should be reduced or that use of email should be come the main/only form of application
Leslie Richard Holliwell	no.
