Section 2: Policy to be analysed

2.1	<p>Is this a new policy (or decision) or a change to an existing policy, practice or project?</p> <p>It is a regular update report on performance against the Corporate Plan 2018-2023</p>
2.2	<p>Describe the main aims, objectives and purpose of the policy (or decision):</p> <p>This is a quarter 1 position for 2018-19, in relation to the achievement of the objectives and measures contained within the Corporate Plan. There are no equality implications arising from the specific recommendations of this report. Relevant implications arising from individual actions will be identified and considered by the responsible service director.</p> <p>What outcome(s) are you hoping to achieve (ie decommissioning or commissioning a service)?</p> <ol style="list-style-type: none">1. Provide an update2. Enhanced picture of corporate performance against the benefits maps and performance indicator set.
2.3	<p>Does or will the policy or decision affect:</p> <ul style="list-style-type: none">• service users• employees• the wider community or groups of people, particularly where there are areas of known inequalities? <p>No. Where individual objectives or performance from the Plan require decisions, these are the subject of individual reports, each accompanied by its own Equality Impact Assessment.</p> <p>Will the policy or decision influence how organisations operate?</p> <p>Yes, at the strategic level.</p>

2.4	<p>Will the policy or decision involve substantial changes in resources?</p> <p>No, it is just a quarter 1 update. Decisions on resources to deliver the Corporate Plan are taken through the annual budget approval process, through Portfolio Holder decision or Cabinet decision</p>
2.5	<p>Is this policy or decision associated with any of the Council's other policies and how, if applicable, does the proposed policy support corporate outcomes?</p> <p>The Corporate Plan is the Council's premium strategic policy. All other Council policies and decisions support the delivery of the Corporate Plan.</p>

Section 3: Evidence/data about the user population and consultation¹

As a minimum you must consider what is known about the population likely to be affected which will support your understanding of the impact of the policy, eg service uptake/usage, customer satisfaction surveys, staffing data, performance data, research information (national, regional and local data sources).

3.1	<p>What does the information tell you about those groups identified?</p> <p>An overview of key issues impacting the population of Epping Forest district, health and well-being, and demand on services is given in the attached profile of people living in Epping Forest.</p>
3.2	<p>Have you consulted or involved those groups that are likely to be affected by the policy or decision you want to implement? If so, what were their views and how have their views influenced your decision?</p> <p>Update report, no impact</p>
3.3	<p>If you have not consulted or engaged with communities that are likely to be affected by the policy or decision, give details about when you intend to carry out consultation or provide reasons for why you feel this is not necessary:</p> <p>Update report, no impact</p>
