REASONS FOR REFUSAL

The proposed development would cause harm to the openness of the Green Belt by reason of its design, scale and position and no case of very special circumstances have been advanced to outweigh the harm to the Green Belt from the proposal. Therefore the development is contrary to the guidance contained within the National Planning Policy Framework 2019, policies RST5 (i), GB2A and GB7A of the Adopted Local Plan (1998/2006), and policy DM4 of the Epping Forest Local Plan (Submission Version) 2017.

The replacement building would be materially larger than he one it would replace. Therefore the development is contrary to the guidance contained within the National Planning Policy Framework 2019, policies RST5 (i), GB2A and GB7A of the Adopted Local Plan (1998/2006), and policy DM4 of the Epping Forest Local Plan (Submission Version) 2017.

The proposed development, by reason of its design and arrangement would not be of an adequate size and layout to meet the welfare requirements of the number of horses intended to use them. The proposal is therefore contrary to policy RST5 (iv) of the Adopted Local Plan (1998/2006)
