Dear *DI*

Thank you for your invitation to be part of the launch of the 'We R Safe' project being run by Epping Forest Youth Council and thank you to Youth Councillor Barnaby Hodgkinson who accompanied me for the event.

This is a fantastic project and the event was enjoyable and really inspiring. The series of films are a great example of young people working to keep themselves and others safe and secure and sends a positive message to the community.

Essex Police will continue to support this project going forward.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'BJ Harrington', is written over the signature line.
