**Council meeting held on:** 5 November 2019

**Moved by:** Councillor S. Murray

**Seconded by:** Councillor S. Neville

This Council resolves:

- to require all public firework displays within the local authority boundaries to be advertised in advance of the event, allowing residents to take precautions for their animals and vulnerable people;
- to actively promote a public awareness campaign about the impact of fireworks on animal welfare and vulnerable people – including the precautions that can be taken to mitigate risks;
- to write to the UK Government urging them to introduce legislation to limit the maximum noise level of fireworks to 90dB for those sold to the public for private displays; and
- to encourage local suppliers of fireworks to stock 'quieter' fireworks for public display.
