## **Recommendations/Decisions Required:**

**That the Committee consider and agree the scope of its external scrutiny of Essex County Council, with regard to the current provision, planning, management and performance of adult social care services across the Epping Forest District.**

1. Members will recall that the Committee has previously requested an opportunity to undertake appropriate external scrutiny of the current provision, planning, management and performance of local health and adult social care services. This issue is included in the current work programme for the Committee.
2. Essex County Council's Cabinet Member for Health and Adult Social Care, Councillor J. Spence, has confirmed that the Director of Adult Social Care will arrange for relevant officers of Essex County Council attend the meeting of the Committee to be held on 28 January 2020, in this regard.
3. In accordance with the procedure previously agreed by the Committee, members are therefore now asked to consider and agree the scope of such external scrutiny of the current provision, planning, management and performance of local adult social care services. and appropriate lines of questioning for the Director of Adult Social Care, in order that prior notice of the specific issues to be raised by the Committee can be provided to the County Council, to ensure that maximum value is derived from this external scrutiny activity.
4. The identification of relevant lines of questioning to be raised with the Director of Adult Social Care will also be sought from members through the Council Bulletin, nearer the time of the Committee's scrutiny activity.
5. Although the review and scrutiny of matters relating to the planning, provision and operation of health services across Essex is generally a function reserved to Essex County Council through the auspices of its Health Overview and Scrutiny Committee, the County Council has not normally been averse to this authority undertaking appropriate health scrutiny where local concerns exist. As a matter of courtesy, the intentions of the Committee in this regard has been communicated to the Health Overview Policy and Scrutiny Committee.

## **Resource Implications:**

The recommendations of this report seek to enable scrutiny activity to more effectively meet

work programme requirements.

### **Legal and Governance Implications:**

The Council's constitution sets out rules for the management of its overview and scrutiny responsibilities. Although external organisations are not generally required by legislation to attend before the Overview and Scrutiny Committee, it is hoped that most would be willing to engage constructively with the Council's scrutiny activity when invited to do so.
