Subject: Clifton Road Loughton Parking Suspension

CAUTION: This Message originated outside of Epping Forest District Council. Do not click links or open attachments unless you recognise the sender and know the contents is safe.

Good morning James,

I am writing to advise that we will be suspending some of the parking bays on Clifton Road Loughton due to utility works. The parking bays to be suspended will be between numbers 1 – 13 from 11th and 19th Feb.

This will cause problems for the permit holders due to the pressure on the limited number of parking spaces on Clifton Road. In view of this any permit holders who cannot park on Clifton Road will be able to park in the nearby L3 permit scheme (Smarts Lane, High Beech Road and Forest Road). This information will be advised to permit holders via MiPermit and on the suspension notices. I don't know if you want to advise local councillors as they may be asked about the suspension by the residents.

Regards

Trevor Degville
