EFDC Mood Board

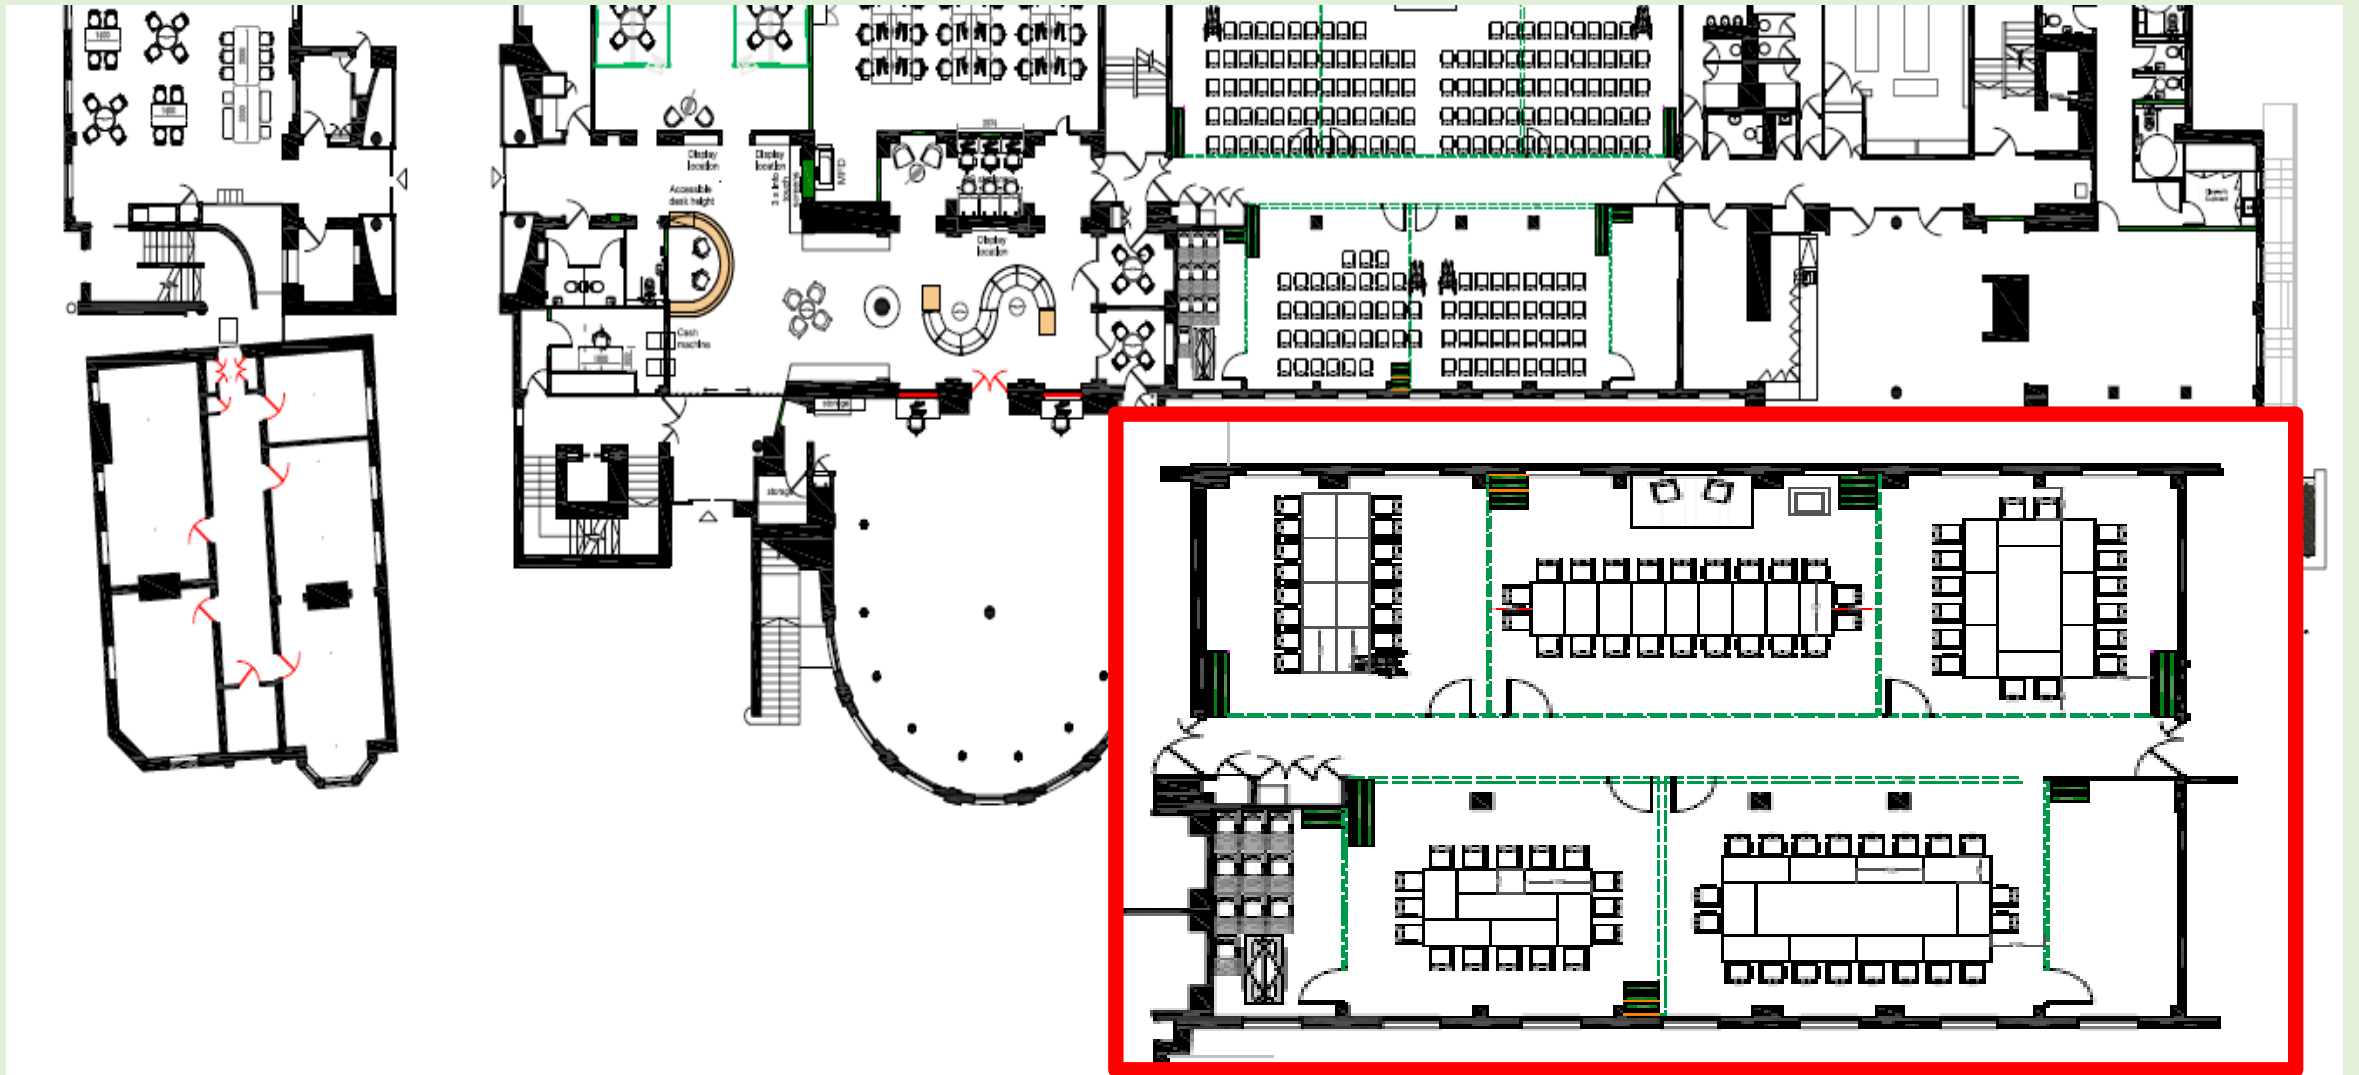

STRENGTHS

Traditional Timeless
Strong & Classic
mixed with
Vibrant Access Colours

Inspired by the District's
natural habitat, Epping Forest,
Roding Valley Meadows & the
9 local nature reserves and
spaces

Proposed Ground – Reception & Conference Suite

EFDC Reception Area

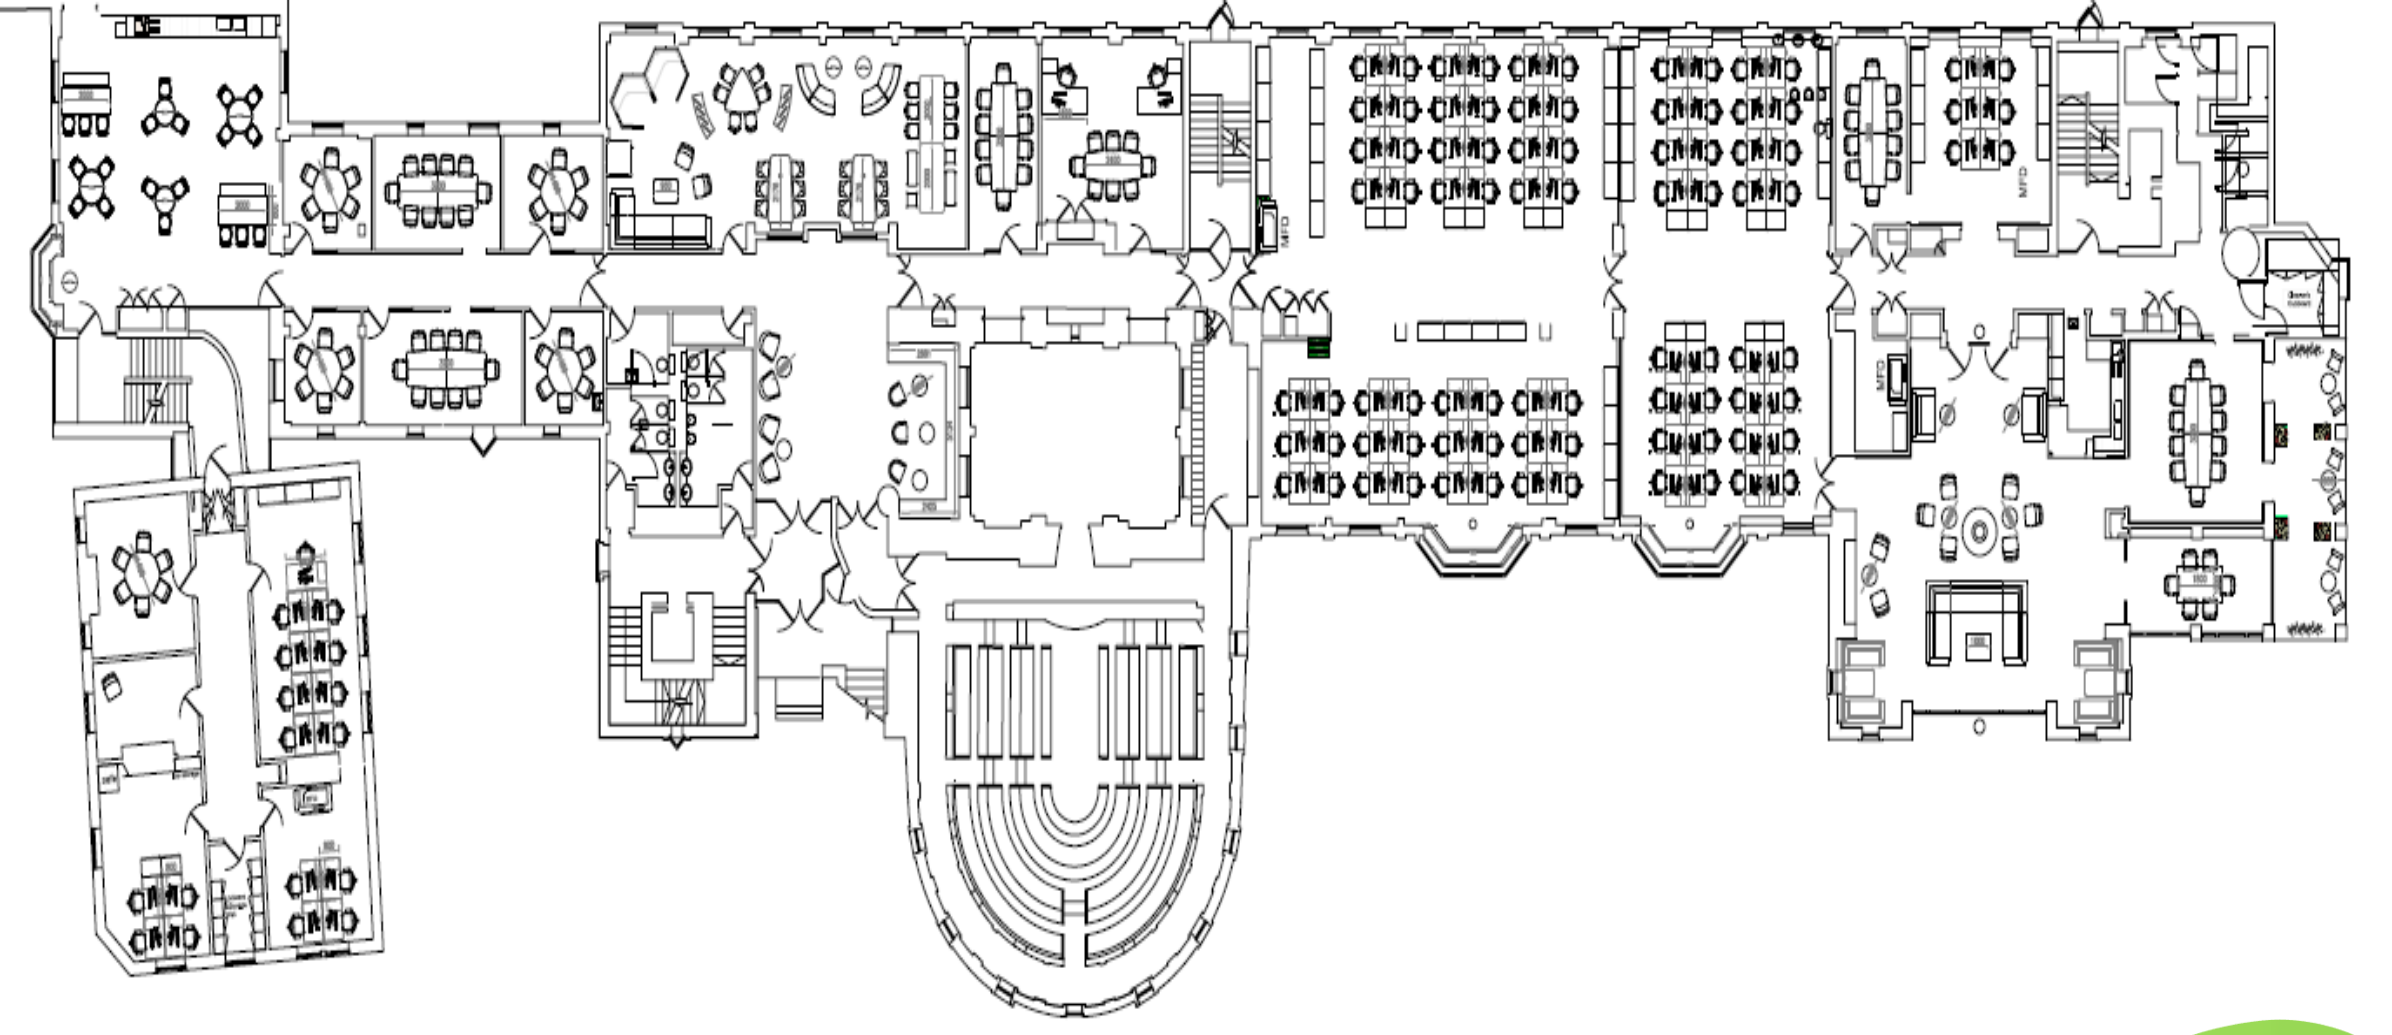

Armchairs have wide seats which provide stability for people with mobility restrictions

S shaped sofa, has a two tier back height using the length of the bright atrium to provide maximum capacity, pushchairs & walkers

The **Structural pillar surround** has a seating space, which aims to complement the aesthetic of the Listed Reception and Planters

Proposed First Floor – Members Lounge Area

Collaborative Area

- Technology driven
- Collaborative
- Inspirational
- Agile working practices
- Various height meeting space

Partners & Café update

A concept design will be presented for each area and will focus on Smart Technology interlinking Silo sites & External Partners and Chambers

Screens will be fitted with additional power in all Pods
Meeting Rooms will be #teams to foster collaboration & remote working
Electronic room booking facility
Connecting all sites with digital teams using Smart technology

Update relating to our Partners co habiting, CAB, Essex Library & CCG together with Café Area

Decisions Required

Utilisation of Members Area
