————— **2021** —————
CITIZEN OF THE YEAR VOLUNTEER TEAM OF THE YEAR

Epping Forest District Council's Covid-19 Recognition Civic Awards 2021 aim to acknowledge people in our community who have made a significant contribution to the welfare of others over the past year – a NHS worker, a friend, a neighbour, a local community group or even the business up the road.

Do you know such an individual (over 18) or a team who have made a real difference within the Epping Forest District?

Why not nominate them for the Citizen of the Year or Volunteer Team of the Year Award.
